

Annual Title I Parent Information and Meeting Notice

The Remsen Elementary School is a qualifying school for Federal Title I grant funding and receives Title I grant funding each year. At Remsen, the Title I grant funds are used to provide Elementary Reading Intervention student services and Speech and Hearing student services.

Our Reading Intervention Specialist works with students in grades k-6 to provide reading support and academic intervention. Our Speech and Hearing Teacher provides our students with speech and hearing services for students that require supplemental support.

The goal of Title I funding is to help children succeed in regular district programs, attain grade level proficiency, and improve achievement in basic and advanced skills. As a Title I school, we are fortunate to have Title I grant funding to help support these services for our students. We encourage all parents to be active participants in the education of their children so that we may work together in helping our children achieve high academic standards. Please always feel welcome to ask questions, make suggestions, and provide input on our programs. Our Welcome Back Night, as well as all the many family and student activities and events throughout the school year, aim to encourage all parents to be active in their child's learning, growth, and success at RCS. For more information, our Parent and Family Engagement Plan may be found at <https://web2.moboces.org/policies/remsen/1200.2%20Parent%20and%20Family%20Engagement%20Plan.pdf>

On Tuesday, September 3, 2024 we will hold our Annual Title I Parent Information Meeting in tandem with our Welcome Back to School night. Our administrators will be available to discuss our programs, answer questions and hear your feedback throughout the evening. In addition we will soon be sharing a parent survey to help us evaluate parent and family engagement, to understand potential barriers that may prevent greater parent and family participation, to improve the academic quality of our school, to increase support for successful school and family interactions, and to work to understand your needs as they pertain to helping with the learning of your children.

As a school that receives Title I money, you have the right to request and receive the following information regarding the following credentials of the professionals providing educational services to your children:

- 1) Whether your child's teacher has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
- 2) Whether your child's teacher is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived;
- 3) Whether your child's teacher is teaching in the field of discipline of the certification of the teacher; and
- 4) Whether the child is provided services by paraprofessionals and, if so, their qualifications.

If you have any questions, suggestions, or input pertaining to the Title I program at Remsen, please do not hesitate to reach out to Mr. Jenny, Superintendent, at any time throughout the school year at our many events or by phone at 315-205-4300 or email tjenny@remsenncsd.org. Thank you!
