Indiana University Health offers a variety of career paths, find the one that's right for you.

Indiana University Health is unlike any other healthcare system and we're looking for team members who share the things that matter most to us. People who are inspired by challenging and meaningful work for the good of every patient. People motivated to do their best every day. People who are always ready to apply themselves. A career at IU Health is one full of challenges and excitement.

Interested in a career in healthcare? We offer opportunities in a variety of areas. Check out this list of job families and opportunities:

1 Nursing

Whether you're a recent nursing school graduate or experienced nurse, living in Indiana or elsewhere, hone your craft at Indiana's largest healthcare system. IU Health and Riley Children's Health nurses enjoy sign-on bonuses, robust benefits, competitive pay, relocation incentives and more.

2 Patient Support (MA, PCA and more)

The patient support team cares directly for patients, working at the bedside next to nurses, providers and other team members. They ensure patients are safe and have what they need during their time in one of IU Health's 16 hospitals or other care centers around Indiana. These compassionate team members build relationships with patients and make a true difference in their lives.

3 Allied Health

If you want to use your expertise to help provide exceptional patient care, consider an allied health career at IU Health. Whether you work directly with patients or behind the scenes, you will make a true difference in the lives of our patients while working alongside physicians and providers. The allied health team covers a range of diagnostic, therapeutic and support services.

4 Professional and Business Support Roles

If you'd like to help shape patients' experiences beyond the treatment room, consider a professional or business support career at IU Health. You'll play a crucial part in ensuring that our operations run smoothly and that patients, physicians and providers have the information and tools they need through your work in our professional and business support roles at IU Health. Professional and business support team members work across a wide variety of departments

5 Facilities and Support Services

Our facilities and support services team members play an important role in caring for our patients and their families. This team provides comprehensive support across many areas, including food and nutrition services, housekeeping, facility operations, safety and security, and more.

6 Executive Leadership

IU Health executive leaders play a crucial role in advancing the mission of our diverse organization and inspiring teams to make a meaningful difference in the lives of patients. Our leaders shape strategic initiatives, develop passionate teams, and work to improve health outcomes. Our leaders play a crucial role in advancing our mission and inspiring their teams to pursue excellence, compassion, teamwork and purpose in all that they do. Executive leadership opportunities at IU Health include director level and higher positions across a wide range of clinical and non-clinical divisions.

7 Physicians and Advanced Practice Providers

As a provider at IU Health, you will be part of a highly skilled team working alongside some of the brightest minds in medicine, and you'll have access to many diverse opportunities to learn and develop in meaningful ways that matter most to you, such as advanced clinical training, leadership development, groundbreaking research and innovative treatment opportunities.
