Chancellor: Dr. Felicia Layne

Mission: Our mission is to offer scholars in grades 6-12 access to courses in advanced academics, dual credit, CTE (Career and Technical Education), and Advanced Placement with the intent that scholars will complete high school with significant college credits. All of this is provided in a highly competitive STEM (Science, Technology, Engineering, and Math) environment.

About Our School: GPCI develops 21st Century, scholarly leaders by providing a rigorous STEM and college readiness environment that promotes lifelong learning and success. The academic curriculum offers all courses required by the State of Texas for the mastery of standards for each grade level.

About Our Staff: GPCI has one of the most competitive and sought-after staffs made up of highly qualified, multi-certified instructors. All GPCI staff members are qualified in the areas of GT, ESL, AVID and AP strategies. Specialized trainings from Project Lead the Way, Apple, Compass Learning, and Canvas online learning management systems allow GPCI staff to be innovators of lesson design and technology savvy instructors.
