

# THE HARBOR NEWS

October 2024 Edition

## PRINCIPAL'S MESSAGE

We are having a SPOOK-tacular start to the school year and we couldn't be more proud of our Harbor Students! Our students have been showing their leadership qualities and demonstrating how "principled" they are through their words and actions. Our teachers have built classroom communities within their rooms and all students feel welcome and an important member of the Harbor family. As a school community, we have been following our Harbor Recess Promises and even Mrs. Bisulca and Mrs. Savage got to join in on the soccer and kickball fun! We look forward to a fun-filled October that is sure to be a hauntingly good time!
