#### Orthodox History: Fr. Alex Karloutsos

"Fr. Alex Karloutsos may be the most influential Orthodox priest in modern history. He has spent time in every Oval Office going back to Jimmy Carter, culminating in a Presidential Medal of Freedom from Joe Biden."

The first three articles in the series on Fr. Alex, based on interviews conducted by OSI Executive Director Matthew Namee, are now available. Click the links below to read, or visit [www.orthodoxhistory.org](http://www.orthodoxhistory.org)

#### The Iceberg Is There: Verbosity Cannot Defeat Reality

"Give the talkers, those with a facility with words, folks with 'jobs' in what used to be academic institutions, time and they can explain how what you have seen is not what you saw at all."

Read the latest commentary by Dr. John Mark Reynolds, President of Saint Constantine College.
