

# S.A.T. GUIDELINES

## To the Student:

In 1984, a group of concerned educators and businesspeople met to discuss the educational arena of Onslow County. It was from this group of people that Sponsors for Academic Talent, Inc. (SAT) was formed. They wanted to encourage and promote academic excellence by offering scholarships to worthy students. These scholarships have nothing to do with financial need; it does not matter what your parents do. It does not matter if you are male or female or what is your race or religious affiliation. All that matters is what **YOU** do.

Sponsors for Academic Talent, Inc. places a great deal of faith in you. Think about what they offer. **Every student** who meets the requirements outlined in this booklet **is guaranteed a \$750 or \$1,500 scholarship**. That means if every student in your graduating class meets the requirements, each of them will receive a scholarship. Sponsors for Academic Talent, Inc. raises tens of thousands of dollars each year to make these scholarships possible. There is no competition and no waiting to see if you win or not. You will know because **YOU** and you alone control your actions. You will know far in advance if you have completed the requirements. Your SAT coordinator is there to guide you and answer your questions, **BUT** it is your responsibility to keep in touch with the Sponsors for Academic Talent, Inc. Coordinator in your school.

The people of Onslow County comprise Sponsors for Academic Talent, Inc. They are responsible for its existence, its organization and its continuation. Thousands of dollars are donated to this program each year by individuals, businesses, and civic groups of Onslow County. Sponsors for Academic Talent, Inc. is a private foundation which raises the scholarship money and determines the policies for scholarship attainment. We are unique. We believe in you. We believe investing in your future is an investment in the future of Onslow County.

The application must be signed and verified by the SAT Coordinator.

## **Grade Point Average**

A student graduating must have a cumulative average of **3.5** on a weighted scale at the end of the first semester of the senior year.

## **SAT Scores**

---

A student must earn a composite score of 1100 or higher on the SAT. These three shall be selected randomly and none will be involved with the circumstances of the student who is appealing. An appeal must be made within thirty (30) days of the decision that is being appealed. **The decision of the Appeals Committee is final.**

## Community Service

---

### Test for Determining Community Service Hours

1. Does the community service activity take place outside the regular school day?
2. Does the community service activity benefit the general community?
3. Does the community service activity take place in Onslow County? (For the purpose of this test, Camp Lejeune is not considered to be a part of Onslow County.)
4. Is responsible adult supervision present during the community service activity?
5. Will the participant receive some other award, certificate or recognition for the community service activity? (Merit badge, class credit, club membership, etc.)

If the answer to **questions 1 - 4** is 'yes' and the answer to **question 5** is 'no', it is reasonable to assume the activity will be approved. ***It is imperative that you have prior approval.*** If your activity does not completely meet this test, it may still get special approval. You or your SAT Coordinator may contact the Executive Director to determine if a specific activity can be approved. Do not perform hours without prior approval and expect them to be counted. **The Executive Director will grant only prior approval, no ex post facto approval.**

### Community Service Guidelines

---

A student must accumulate a **minimum of 75 hours of community service**. All service must be on a volunteer basis for a non-profit organization based in Onslow County. A list of acceptable agencies for which a student may volunteer is available in this publication and from school authorities. Students must receive the signature of the SAT Coordinator **before** the Executive Director will grant approval. If the agency for which a student wishes to work is not on the list, prior approval of the Executive Director is **MANDATORY**. Upon completion of the hours of service, the student has thirty (30) days to turn in notification of the hours to the school SAT Coordinator.

Note: The only exception is hours that are performed during the summer. Summer hours must be given to the SAT Coordinator within one week of returning to school for them to be counted. You can obtain a form for this purpose from your SAT Coordinator, from the agency, or download it from the [SAT website](#).

**Students may begin to accumulate community service hours the summer prior to their entry into ninth (9<sup>th</sup>) grade. No more than eight (8) hours of service in any twenty-four-hour non-school day will be accepted. No more than four (4) hours service in any twenty-four-hour school day will be accepted.** There will be **NO** exceptions to this rule.

**A total of 20 hours of service must be completed by the student during the senior year. (The senior year starts the day after the junior year ends.)**

Sponsors for Academic Talent, Inc. Coordinators will submit, at the end of each semester, to the Executive Director, a record of each future scholar's hours performed. It is **your** responsibility to provide your Coordinator with documentation of your hours of service in a timely manner. Documentation of community service hours performed shall be verified by person(s) not related to the potential scholar. **(A student must perform a minimum of 75 hours of community service for the \$750 scholarship and 100 hours for the \$1,500 scholarship for an approved agency.)** ***To aid in calculation of service hours, please record hours to the closest 15-minute time period (i.e. .25, .50, or .75).***

### **Church and School Activities** *(May be used for the \$750 scholarship ONLY)*

---

Events sponsored by the school, or an agency of the school must be for the good of the general public in order for students to earn community service hours. (Exceptions will be tutoring which must be under the supervision of a teacher and approved by the Executive Director.)

**A maximum total of 35 hours of combined service for school-related services and church-related service may be awarded.** Remember: all activities performed are to be for the good of the general public.

### **Political Organizations**

---

Volunteer work with a political organization may be counted **only** if the party develops and submits a plan of activities for the student to the Sponsors for Academic Talent, Inc. Executive Director. The activity is to be for the benefit of the general public, not based along political lines. (Telephone solicitation alone would not meet the requirements.) This plan must be submitted to the Executive Director for approval prior to the hours of service being performed.

## Deadlines

---

### **Seniors:**

The last day volunteer service hours may be submitted to the SAT coordinator is the **LAST DAY OF JANUARY**. It is the scholar's responsibility to heed this deadline.

The SAT Coordinator will keep your earned hours on file and forward a copy to the Executive Director. It is your responsibility to submit your hours to your SAT Coordinator. **Hours which are not submitted in a timely manner will not be accepted by the SAT Coordinator.**

---

### **Philosophy of Community Service**

The community service should be for the benefit of the community rather than an individual. Always seek prior approval through your Sponsors for Academic Talent, Inc. Coordinator and the Executive Director. If you are unsure if an activity will be considered for community service hours, contact the Executive director. **We want you to earn this scholarship**; community service hours should not pose a problem. We receive phone calls every week seeking volunteers. We believe volunteerism is a fundamental part of life. The requirement for community service is designed to foster that attitude.

### **NC Academic Scholars Endorsement**

This program, established by the state Board of Education beginning with the graduating class of 2014-2015, is designed to reward you for your academic achievements in school. You will receive a special seal of recognition on your diploma when you graduate signifying that you are an academic scholar as defined by the State of North Carolina. You can obtain the requirements of the NC Academic Scholars Endorsement from your school counselor. He/she can help you select the courses you must take in high school to earn this endorsement.

Students are encouraged to pursue the NC Academic Scholars Endorsement, however this endorsement is not a requirement for the SAT Scholarship.
