PART II - ATTENDANCE INFORMATION

Arrival

Doors will open at 7:45 to allow students to enter, please do not arrive prior to this time. During inclement weather, students may be allowed in earlier.

Illness

If your student needs to be picked up due to illness, the nurse will contact you.

Tardies and Cuts

Students are expected to arrive at school and to class on time. Students who arrive at school late are to report to the Attendance Office upon arrival. Students tardy to classes other than first period will report directly to class without stopping for an admit slip. Teachers will record all tardiness. Tardies will accumulate throughout the semester. A student that arrives to class within 10 minutes after the bell will be considered tardy for that period. If a student is absent for more than 10 minutes of class, that is considered a full "cut". There will be consequences for excessive tardiness and for cutting class.

PART III - STUDENT EXPECTATIONS

At Ellis Middle School we are a community of staff, students and parents dedicated to fostering a school of positive behavior. Below you will see guidelines to assist you in learning our school expectations.

Electronic Devices

The school board has directed the superintendent and school district administration to establish rules and procedures regarding student possession and use of cell phones and electronic devices in schools. These rules and procedures seek to minimize the impact of cell phones on student behavior, mental health, and academic attainment. These rules and procedures are designed for specific school buildings and grade levels. You can review the [district's procedures here](#). Please reference [Policy 524](#) for more information.

Hallways

All students will have a pass visible while in the hallway unless it is during passing time between classes. Take care of restroom and drink needs at designated breaks or passing times.

Lunchroom*Cafeteria Privilege and Loss*

Students will eat in the cafeteria during their lunch period. Some students may lose this privilege for specified periods of time because of infractions at lunchtime. It is up to you to see that your school behavior is such that you do not lose your privileges. Those who do lose privileges may be assigned to a different area during their lunch period. Excessive infractions will result in the notification of parents and additional disciplinary actions.

Lunch Procedures

- Students will be assigned to a specific lunch period. Ellis Middle School is a closed campus school and students are not allowed to leave the building unless they have checked out in the Attendance Office.
- It is expected that students will keep their proper place in the food lines, observe good table manners, and clean up after themselves. If you sit down at your table and notice that the table or the floor around it is dirty, please notify a lunchroom supervisor; if you don't, you will be expected to clean up the mess.
- After eating, place all papers and scraps in containers; return all dishes and trays to the proper places. Food, drinks and utensils may not be taken out of the cafeteria. Minnesota State Law forbids the bringing of food prepared at home to school to be distributed to other people.
- Restroom passes must be obtained from lunchroom supervisors. Students remain in the cafeteria for their entire lunch period unless other areas are designated. Supervisors will dismiss students.

Physical Education*Medical Excuses*

For physical education exemption a medical excuse must be obtained from your doctor and delivered to the school nurse. If you have not had a chance to see a doctor, a note from your parent or guardian should be taken to your PE teacher to request an excuse for that day. Such notes will allow students to be excused for up to three

consecutive school days from PE class. Requests to be excused for more than three consecutive school days must be approved by your doctor. These missed days will need to be made up with your PE teacher.

School Hours

Ellis Middle School supervised building hours are 7:45AM - 3:15PM. Athletics, clubs, other school activities, and detention are among the accepted reasons for staying beyond dismissal time or arriving early. Students are expected to leave immediately after school if they are not participating in these activities.

Student Backpacks and Lockers

- Each student will have a locker assigned to them at the beginning of the year. Lockers in the gym locker rooms are also available for use. We strongly encourage students to lock their items up.
- Students should not share lockers or combinations. Locker combinations are changed each summer.
- Students are responsible for the contents of their locker, and items found within are considered in the student's possession.
- Backpacks can be used by students to carry their books, electronic devices and school related items throughout the day. All backpacks should be stored under student desks/tables while in the classroom to ensure movement within the classroom is not restricted.
- Students are responsible for any personal belongings they bring to school. Valuable items should be left at home or locked in lockers. Personal belongings should not be left unattended outside of classrooms, in the hallways or in spaces not locked. Any lost personal property is not the school's responsibility.

PART IV – ACADEMICS

Academic Dishonesty

Academic honesty and personal integrity are fundamental components of a student's educational experience. It is necessary to devise a written policy on academic honesty that is fair and involves a procedure that can be clearly understood and followed in the interest of justice and due process.

Definition of Academic Dishonesty (cheating)

Presenting, as your own work, material that is not a true or valid representation of your own ideas or helping others to do the same.

Some forms of Academic Dishonesty are as follows:

- Working with other student(s) on an assignment (without teacher permission)
- Using written material on an assessment without the teacher's permission
- Copying another person's work/practice
- Copying from a published work
- Knowingly allowing others to copy your work
- False score reporting

Determination of Academic Dishonesty

Any staff member who has reason to suspect that a student has participated in academic dishonesty will follow the steps outlined below:

- Meet with the student involved, provide evidence of suspected academic dishonesty, discuss and determine whether it has occurred.
- If there is sufficient evidence of academic dishonesty, the student and teacher will meet with administration. The goal of this meeting will be to discuss strategies to help the student make better academic choices in the future.

Potential Consequences of Academic Dishonesty

- Warning
- Discipline referral

- Parent contact by the teacher
- Redo the assignment/assessment
- Receive a zero for the assignment/assessment

Grading and Reporting

The following grading practices in APS are a culmination of the district grading and reporting committee work from the 22-23 and 23-24 school years. This work consisted of a review of the current context, 5-12 staff surveys in 22-23, and collaboration in professional learning by the student and staff grading and reporting committees in 23-24.

These grading practices apply to students in grades 5-12.

Parameters for Student Grades

Teachers will utilize the following parameters for grading and reporting for students. School leadership teams will develop procedures for staff to follow in implementing these parameters. The procedures will be shared with staff, students and families at the beginning of the school year.

Graded Categories

- **Summative & Performance Assessments:** In Austin Public Schools, Summative & Performance Assessments are defined as the evaluation aligned to standards or benchmarks that takes place after the learning has been completed. Examples of Summative & Performance Assessments include chapter or unit tests, final tests, final projects, final papers, final performances.

Student performance on Summative & Performance Assessments will count for the following % of the student's grade.

- IJ Holton: 60%
 - Ellis Middle School: 70%
 - Austin High School: 70%
- **Practice Work & Formative Evidence:** In Austin Public Schools, Practice Work & Formative Evidence is defined as student learning and practice work that is used by teachers and students to inform, respond, and adjust learning experiences to enhance learning and understanding. Examples of Practice Work & Formative Evidence include quizzes, observations, exit tickets, practice problems, written responses, and learning activities.

Student performance and engagement with Practice Work & Formative Evidence will count for % of the student grade.

- IJ Holton: 40%
- Ellis Middle School: 30%
- Austin High School: 30%

Non-Graded Parameters

- **Student Participation:** In Austin Public Schools, student participation is defined as students actively engaged in their learning by listening, speaking, reading, and writing to support their comprehension of the learning targets. Teachers will provide small group activities, performances, discussions, and presentations that create opportunities for students to work on the skills imperative to the learning process.
- **Reassessments:** In Austin Public Schools, reassessment is another opportunity for students to learn and demonstrate their knowledge. Reassessments will be provided to students and are a component of the Summative & Performance Assessments category. When Practice Work & Formative Evidence assignments are completed prior to the original summative assessment, student wanting to reassess will work with the teacher to do additional learning to prepare for the reassessment. Teachers have the option to give students flexibility if there are extenuating circumstances.
