Dear Mr Grissom,

This is a Freedom of information Act request as per South Carolina statute. The platform does not allow me to add recipients.

I am requesting video surveillance footage of myself, David Cook, between January of 2023 and September 1, 2024 in which I am wandering around Hilton Head Island Middle School property without legal cause, good cause, or good excuse. Video should include time and date stamp.

If Mr Austin would please cross reference videos showing my presence on campus with any events or meetings that I was attending on those days, I would appreciate it.

Legal cause, good cause and good excuse would include being on property for the purpose of attending meetings or events, for, with, or on behalf of my [redacted].

I do not need any surveillance footage for those times when I was on property for a meeting or an event.

Please call me if you have any questions. Thank you.

Have a nice day.
