The students are doing so great using their word strategies! Thank you for the support from home. Below you will find the focus words for Module 3 as well as practice strategies to deepen their understanding.

Irregular (Heart Words)

Practice Strategy:

Say each irregular word aloud to your child. Have them count the sounds they hear in each word.

Example: from = /f/ /r/ /u/ /m/ (4 sounds)

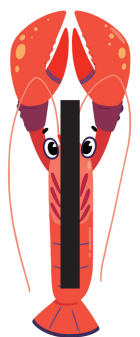

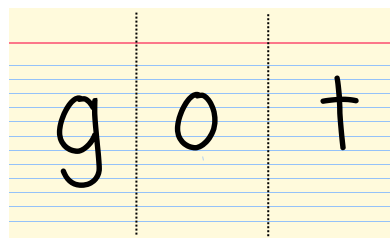

Then have your child try to spell the word into Elkonin, sound, boxes. See page of Elkonin Boxes provided.

Decodable High Frequency Words

Practice Strategy:

- Write each word on an index card.
- Cut each word into pieces. 1 letter per piece.
- Share the letters in a jumbled order.
- Have your child assemble each word puzzle, saying each sound as they build.
- When the puzzle is complete have them say the whole word.
- Give a high-five.
