Westerly Public Schools Early Admission Policy

No. 5100

A student of the Westerly High School who at the completion of his/her junior year is accepted for early admission at an accredited four year college or university, will be granted a high school diploma upon successful completion of his/her freshman year of college. Students must take the necessary coursework to meet our graduation requirements. It is the responsibility of the student to submit the necessary college/university grade reports to the high school principal.
