2024-25 Goals

District Reading Goal: To match/or better state average reading scores on the South Dakota State Assessment in grades 3-8 by end of 2024-25 school year.

District Math Goal: To match/or better state average math scores on the South Dakota State Assessment in grades 3-8 by end of 2024-25 school year.

Midland Elementary Reading Goal: Include journal writing in classes to build sentence complexity in real-world writing experiences for better communication.

Midland Elementary Math Goal: Focus instruction on Concepts and Procedures emphasizing real-life applications for real world problem solving.

TOGETHER WE CAN!

***Teachers will** adjust curriculum to meet goals.

***Teachers will** create a partnership with each family.

***Teachers will** develop a classroom climate that is comfortable and safe for all students.

***Teachers will** progress monitor students in reading, writing and math, and report to parents through Campus, conferences and report cards.

Families will spend time working on reading, writing and math skills.

Families will communicate questions and concerns with the teacher and let teachers know if help is needed.

Families will attend school regularly and promote school in a positive way.
