Two HMS Students Named Award Finalists

Kester Ko and Suparna Kundu were named as finalists in the Nassau Region PTA's "I am Hopeful Because" Reflections Art Competition.

On April 4th, the Nassau Region PTA hosted the 2023-2024 “I am Hopeful Because” Reflections Awards Ceremony to honor all Nassau Region Reflections Finalists. This year, Nassau Region PTA received almost 850 Reflections submissions from 103 schools, with 142 students ultimately being selected as Nassau Region Reflections finalists. The criteria used for evaluating each entry are artistic merit, creativity, mastery of medium and, most importantly, interpretation of theme. Herricks Middle School was very proud to have not one, but two students named as regional finalists! Congratulations to 6th grader Kester Ko, in the Film Production category, and 8th grader Suparna Kundu, in the Literature category!

Everyone brought their A-game, but ultimately it was the Seniors who managed to bring the trophy home this year!
