Permission to Walk To and From School

Parents,

We recommend that all students ride the school bus to and from school. We do, however, understand that some parents wish to allow their students to walk to school or walk home after school. This does NOT apply to students leaving early.

Please fill out the form below and return it to the main office for our files if you wish to give such permission. Please understand that there are no crossing guards available.

Students,

Walking to and from school is a big responsibility. You must follow proper pedestrian rules and may start your walk home ONLY when the busses have left the bus lot. You are never to walk on the road. You are to walk on the sidewalk or on the grass a minimum of 15-20 feet from road. You may only cross the road at intersections. There are no crosswalks or crossing guards to assist you, so take special care to look both ways before crossing. Be mindful not all drivers are looking for pedestrians, use caution at all times. Any irresponsible behavior exhibited while walking to or from school can result in the loss of these privileges and/or disciplinary action from the school. Please be careful and responsible!

I have read the above paragraph and agree to be responsible and careful .
