Sadie also had outstanding serve and hitting percentages of 89.2% and 47.2% respectively. We recognize Sadie as the September Female Athlete of the Month. Congratulations Sadie.

The Male Athlete of the Month for September is boys golfer Marcos Lopez. A junior, Marcos has been a pace setter for the Raider boys golf team. He leads the team with an average score of 37.7 and also had the lowest individual score in five matches, including a season low of 33. Steller play between him and his teammates ensured the Raiders finished section play in second place, thus securing a spot in the Western Pennsylvania Interscholastic Athletic League (WPIAL) 3A Boys Team Championship. Marcos was one of four SV golfers to not only qualify out of the section individual championships but also made it through WPIAL semifinals to qualify for the WPIAL 3A Boys Individual Championships where he will compete with 36 others to qualify for states. For an impressive month, we recognize Marcos as the September Male Athlete of the Month. Congratulations Marcos!
