2024 – 2025 INTERLOCAL COOPERATIVE AGREEMENT

The Board of Puget Sound Educational Service District, hereinafter referred to as the “PSESD,” and resident Districts, hereinafter referred to as the Local Education Agency or “LEA”, in accordance with the requirements of Chapter RCW by appropriate Board resolution have resolved to enter into this agreement to form a Cooperative hereinafter referred to as the “Cooperative” and hereby agrees as follows:

I. NATURE, NAME, AND PURPOSE OF ORGANIZATION

The purpose of this agreement is to provide educational and behavioral services to be used by LEA(s) to provide support to administrators, staff, and students. This agreement will provide cost effective resources necessary to meet the needs of the LEA(s).

The name given to this cooperative is ReLife School, a regional program of Puget Sound Educational Service District (PSESD). ReLife School is designed to help students (grades 2-12) grow academically while working through their behavioral challenges. The program employs a strong focus on the individual academic growth of students.

Through efforts to improve students' executive functioning, attention to detail and social interactions, staff engage students in study skills and assignment/project completion, resulting in increased learning and high school graduation. ReLife staff create a safe and structured learning environment for students to grow academically and provide the skills and strategies to replace harmful behavior with socially adaptive behavior. This is accomplished through high-quality teaching, in-class engagement, and modeling and reinforcement for both individuals and groups. The goal is to successfully transition each student from the ReLife program to a larger world, be it their neighborhood school or post-secondary education.

ReLife's core values include high academic expectations, safety, respect, and responsibility. Students will learn skills and strategies that correspond with the Whole Child Instructional Model, so they feel challenged, healthy, engaged, safe, and supported. They will learn to demonstrate respect for themselves and others. All students will learn to demonstrate increasing levels of responsibility to themselves, their peers, and their community. This is achieved through explicit and focused instruction and through daily modeling of these values for the ReLife students.

The general purpose of this Interlocal Cooperative Agreement (“Agreement”) is the formation of a cooperative to provide educational and behavioral management programs and services to students of the LEA(s) as authorized by the aforementioned statutes and/or other applicable laws.

II. EFFECTIVE DATE

This agreement shall be in effect beginning September 1, 2024, and will expire on the August 31, 2025, with an option to renew as described in Section IV. The period from September 1, 2024 to August 31, 2025 shall be known as the contract year. This agreement is not considered valid unless there are sufficient revenues to pay salaries of staff, district, and indirect costs.

III. JOINING THE COOPERATIVE

All LEAs desiring to be members of the Cooperative will be required to check the appropriate box and sign the Signature Page of this agreement. LEAs who do not wish to join the Cooperative but wish to participate in the program will be required to check the appropriate “Non-Member District Fees” box and sign and complete the Signature Page. Non-member districts will comply with all parts of the Interlocal Cooperative Agreement; the only difference will be the fee structure.

IV. RENEWAL AND TERMINATION

This agreement is available for renewal from year to year unless the LEA or the PSESD wishes to terminate or change participation in the Cooperative. LEAs are required to give written notice of their election to terminate or change participation to the PSESD on or before June 1 of the contract year. The PSESD must give written notice of its election to terminate or change participation to the LEAs by May 1 of the contract year. The PSESD will submit agreements to each LEA on or before June 30 each year.

V. FINANCING

Each LEA participating in this Cooperative commits to pay to PSESD the cooperative fee and basic service cost required to support that LEA’s student(s)’ annual placement and services within ReLife School. Participating districts that do not join the Cooperative agree to pay higher monthly costs for student placement. See Appendix A for details on member and nonmember tuition rates.

- A. Each spring, LEAs will be asked to project the number of slots needed for the upcoming school year. The program budget will be developed as a result of this information.
- B. Student placements can be annual (slots) or month-to-month. For the sake of continuity of programming, ReLife encourages districts to make annual placements but does recognize the need for flexibility in placements when an annual slot is not reasonable. Costs for different placement options are presented in Appendix A.
- C. If a student withdraws/transitions from the program, the LEA has the following options: Place another qualified student into that slot, or transfer slot to another District in need of a slot. If these options are not selected, the LEA remains responsible for payment of the slot.
- D. LEAs will receive an invoice each month for the appropriate amount; the Cooperative fee shall be due by September 30, 2024.
- E. If a student requires more intensive support or staffing beyond the basic ReLife program, the LEA will have the option for a 1:1 Assistant at an additional cost (See Appendix A).
- F. For Non-Member Districts, slot(s) will be the responsibility of LEA(s) for one twelve-month period with same financial responsibilities as Cooperative members. Decision to approve non- PSESD member participation rests with the PSESD Superintendent.
- G. For students that are not filling a committed slot, charges for the first month will be prorated on a daily cost basis as outlined in Appendix A.
- H. In the event participation in the program is significantly below projections as identified in Paragraph V.A. above, the Advisory Committee will be convened by November 14 to consider modifying the steps outlined in Paragraph V.C. above.

In a situation such as this, the PSESD will enter into conversation with the LEA to determine an equitable remedy.

The LEA further agrees that it shall indemnify and/or hold harmless the PSESD and all other LEAs from any liability due to the LEA's failure to use due care in the uses of the Cooperative property.

Additionally, each LEA acknowledges that Chapter 28A.155 RCW, Chapter 392-172A WAC, 20 U.S.C./1400 (IDEA), and this Agreement impose responsibilities on each resident LEA and that those responsibilities are not extinguished by delegation, in part or in total, under this Agreement.

IX. DISPUTE RESOLUTION

Disputes arising out of this Agreement, excluding disputes over indirect and administration costs, shall be resolved in the following fashion:

- A. If the dispute is between LEAs, then the disputing parties will present their arguments first to the Executive Director of Learning, Teaching and Family Support (PSESD), who oversees ReLife School, to make a determination. If the dispute is not resolved, it may then be referred to the Superintendent of PSESD.

Appendix B

ReLife School Intake Process

1. The Local Education Agency or “LEA notifies ReLife that they have a potential student for consideration.
2. The student’s file (IEP, FBA, BIP, & any other pertinent data) is sent to the ReLife administrative team for review.
3. The team reviews the file (3-5 days) to determine a programmatic fit for academic, behavioral, and safety needs.
4. Once fit is determined, a Consideration of ReLife Enrollment “CORE” meeting is scheduled with teams from ReLife, the LEA, the student, and family/caregivers.
- 4a. If it is determined that ReLife is not the student’s least restrictive environment (LRE), a conversation is then initiated by ReLife administration with the LEA.

As part of the enrollment process, prospective students are screened by ReLife’s CORE team to consider a student’s LRE in relation to our program and physical space. A student may screen out if the CORE team believes the environment to be unsuitable. Specifically, the team focus is as follows:

1. Will the student stay within the parameters of the ReLife campus?
2. What is the student’s level of physical aggression? Is it reasonable to assume ReLife can provide hands-off support while maintaining safety for those within the environment?
3. Does the student have the cognitive skills to follow a leveled system which is the basis of the ReLife program?
4. Does the student have an ERP in place? As a hands-off program, students who need an emergency response protocol regarding restraint and/or isolation, require a more restrictive environment than ReLife.

“No” answers to the above will not automatically disqualify a student from the ReLife program but will prompt a deeper discussion. ReLife’s CORE team considers safety above all else. It is for this reason that having an open slot is not the only determining factor of placement. All student referrals are on a case-by-case basis. Some of the behaviors that ReLife is not equipped to manage include the following:

- students who have toileting needs
- students who cannot feed themselves or take care of their basic life functions
- students who are considered medically fragile (see Policy 45171 Washington State Department of Children, Youth & Families)
- students who are excessively violent (may need to be determined at the time)

If a student who has been accepted to ReLife begins to exhibit signs that show ReLife may be unable to support them (such as showing some of the above indicators), ReLife administration will begin conversations with the student’s LEA per section VI. 1. of the Interlocal Agreement.

Appendix B – ReLife School Intake Process Pg.2

At the beginning of the 2020-2021 school year ReLife moved away from the Right Response system of de-escalation and adopted the Ukeru system.

Ukeru gave ReLife staff the opportunity to focus on de-escalation without physical contact. Less physical contact leads to less trauma. ReLife also added Character Strong as the platform for Social and Emotional Learning (SEL) curriculum.

As a result of this inclusions to the ReLife program, daily protocols now include the following:

- Personalized student Care and Comfort Plans (created by staff with student input)
- Student access to preferred sensory items in all classrooms (*Sensory strategies are used on the classrooms to assist with self-regulation.*)
- Addition of a Sensory Room (*When a student asks for a separate space for regulating themselves, ReLife has a dedicated room for meeting student sensory needs. Adult supervision is provided at all times when a student is using the sensory space and staff have been trained in co-regulation strategies.*)
- Opportunities for large muscle movement
- Increased opportunities for breaks with preferred staff
- Increased opportunities for breaks in alternate locations (partner classrooms, outside or open spaces)
- Clearing the room of other students to give the student privacy
- Phone calls to/from parents/guardians or other members of the support team
- Increased staff training in recognizing power struggles and how to avoid them
