STUDENT AGENCY STAR

of the Week

*Lake Valley
Elementary School*

Mario

In every classroom, a student often stands out for their kindness and eagerness to help others. In 4th grade at Lake Valley Elementary School, this student is Mario Perales Rojas. Mario consistently goes out of their way to assist classmates, whether by tutoring someone struggling with a concept, offering a listening ear to a friend in need, or helping translate when our ELL students have questions. His genuine concern and willingness to lend a hand create a supportive and encouraging environment for everyone around them, embodying the ultimate spirit of teamwork and compassion.

Mason brought the energy as he welcomed students on campus, giving out high-fives and kicking off the day with some serious school spirit!

BMHS students had the chance to connect with elementary and middle school students, lending a hand during their activities and offering great support to staff. From Pre-K to 12th grade, HUSD continues to show what it means to be truly unified!

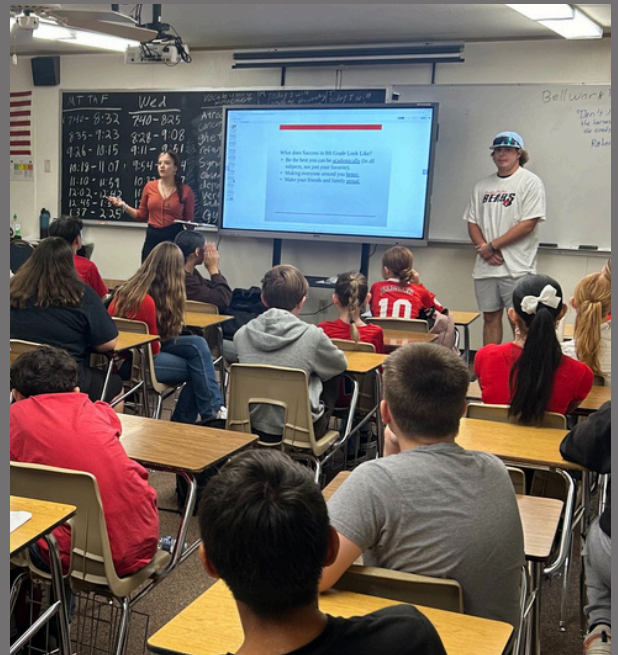

Jenna, Isabella, and Charlotte had a great time visiting with students at each school.

Isabella brought the story to life for the kids during their reading block.

Caden helped to explain the importance of setting goals as you go into high school.
