

Kamilla Benko

We are excited to host author, Kamilla Benko, on Tuesday, October 22nd. She will be speaking to grades 3, 4 and 5. She is the author of several middle grade chapter books.

Author visits are a great way for our Hawks to continue to develop and satisfy their personal reading interests (AASL V.A.1) while covering many Indiana academic standards as well.

To learn more about Kamilla and her books, visit her website.

The Unicorn Quest (Book #1)

An enchanting, exciting fantasy about a real-world girl searching for her sister in a land full of magic and strange creatures, blending the timeless feel of *A Wrinkle in Time* with *Frozen's* powerful themes of identity, enchantment, and sisterhood.

Claire Martinson still worries about her older sister Sophie, who battled a mysterious illness last year. But things are back to normal as they move into Windermere Manor . . . until the sisters climb a strange ladder in a fireplace and enter the magical land of Arden.

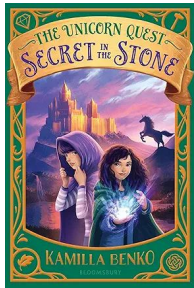

There, they find a world in turmoil. The four guilds of magic no longer trust each other, the beloved unicorns have disappeared, and terrible wraiths roam freely. Scared, the girls return home. But when Sophie vanishes in the night, it will take all of Claire's courage to climb back up the ladder, find her sister, and uncover the unicorns' greatest secret.

The Unicorn Quest: Secret in the Stone (Book #2)

The second book in an enchanting fantasy series *The Unicorn Quest*, about a real-world girl and her sister in a land full of magic and strange creatures.

Claire Martinson and her sister Sophie have decided to stay in Arden--the magical land they discovered by climbing up a chimney in their great-aunt's manor. If what they've learned is true, the sisters are the last descendants of the royal family, and only a true heir of Arden--with magic in her blood--can awaken the unicorns.

Since Sophie does not have magic, the land's last hope rests on Claire. The sisters journey to Stonehaven, a famed Gemmer school high in the mountains of Arden, so Claire can train in the magic of stone. As Claire struggles through classes, Sophie uncovers dangerous secrets about the people they thought they could trust. With Arden on the brink of crumbling, can Claire prove she is the prophesied heir and unlock the magic of the unicorns before it's too late?

The Unicorn Legacy: Tangled Magic

From the creator of *The Unicorn Quest* series, a wondrous new series set in the magical land of Arden, full of unicorns and mystery!

Magic pulses bright in Arden, a world where humans who craft magic have been at war and separated for hundreds of years. Now a new era has dawned, the unicorns have returned, and the prime minister has decreed that apprentices from all four guilds will learn in the newly formed Unicorn Academy. But peace is tenuous: As rumors spread of dark magic and of unicorns disappearing, twelve-year-old apprentice Olivia Hayes is caught between her joy at newfound magical abilities at the academy and proving to everyone that her older sister, Laurel, is NOT a unicorn poacher. She and her friends must untangle the truth and the secrets of the past to spin a stronger future-or else the unicorns of Arden may be lost forever. This sweeping middle grade fantasy is about friendship, choice, and the ties that truly matter.
