Re: October Buildings and Grounds Committee

➤ ***Street Lights Out***

- **11 lights are out currently from the student parking lot to the stadium**
- **3 quotes received**
- **Hayden Electric was the cheapest one**

➤ ***Potential Paving Initiative: Elementary:***

- **Quote: Young Excavation \$101,000: Stadium Road from intersection of Chestnut to intersection with faculty lot. Does not include any parking lots.**
- **Necessitates bidding project for the costs that would be incurred meets the bidding threshold.**
- **Determine the Scope of Proposed Elementary Paving Initiative:**
 - **Concerns about the condition of ALL Elementary Parking Lots**
 - **Implications for curbing and walkways**

➤ ***Boiler Leak in Elementary***

- **1 Quote received from McClure**
- **State inspector found leak and said it needed to be fixed**

➤ ***HS Fire Alarms***

- **Need to upgrade soon**
- **To do a complete system upgrade, it will cost \$35,000 to \$40,000**
- **See current bills from Berkshire for repairs**

➤ ***Stadium Sewer***

- **Has been fixed as it was emergent**

➤ ***ES Playground Mulch***

- **Had mulch ordered because it was muddy**
- **Concern about playground accessibility for special needs students**
- **No shade area on playground**

- ***ES Playground Fence***
 - ***Coming Mid October***
 - ***No access for a few days to drill the holes for the posts***

- ***HS Ice Machine Purchase?***
 - ***Received two quotes***
 - ***Cafeteria staff need ice to calibrate the thermometers***
 - ***Athletic use by training staff***

- ***Water Leak from Elementary School to Stadium***
 - ***Seth Eyer came to look but could not find the leak***
 - ***Currently still an issue***

- **District Office Ramp**

- **Topical Items**
