Attendance Information

State law requires students in kindergarten through 12th grade to attend school a minimum of 170 of the school year 180 days to receive credit for the academic year.

- A note from a parent/guardian or certified medical practitioner must be submitted to the school immediately or within 5 days upon the return of the student. Failure to provide notes within 5 day time frame may result in an absence being considered as unexcused.
- A maximum of 10 parent notes will be accepted during the school year. Only 5 parent notes will be accepted for semester courses at the high School.
- High school attendance requirements are set by the state for each course. The maximum number of absences for each course type include:

Yearlong Course - Limited to 10 absences

Semester Course - Limited to 5 absences

Quarter Course - Limited to 3 absences

- Exceeding the absences limitations may result in non-promotion or noncredit in each course or grade.

A student between the ages of 6 to 17 is truant after three consecutive or five cumulative unexcused absences.

What is an **Excused** absence?
