

TEAMWORK MADE EASY

App for Parents & Families

Technology makes a direct impact on children, their families, and their learning environment. For children to learn and grow as digital citizens in our increasingly connected world, we must first lay out the foundations of online safety, digital literacy, and wellbeing.

Through our partnership with Linewize, our online safety and wellbeing provider, we are able to extend visibility and safeguarding controls on to parents and guardians.

Visibility on student activity and device insights

Security coverage for in and out-of-school hours

Expert advice and guidance on digital threats and trends

Rules to regulate digital activity

Parents and guardians can also extend protection to personal devices with family-focused digital wellbeing features that adapt to different needs as their child grows:

Filter and block feature for content and apps

Location tracking and panic button feature

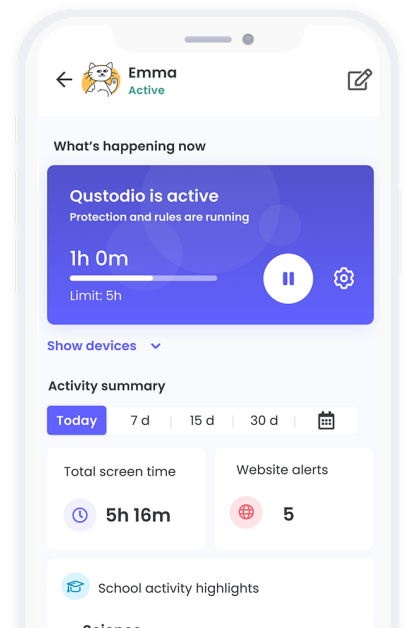

Visibility on browsing history, social media, and screen time

Calls & messages tracking to monitor suspicious activity

Time limits and screen-free schedules

Tailored reports and alerts for inappropriate content

Works on the following devices:

Multi-parent access and management available

Qustodio is COPPA compliant and does not share personal data with third parties.

How to get started

1. Scan the QR code or visit qustodio.com/my-school
2. Create your account using the email address your school has on file
3. Connect with your child's school account
