We desire to promote a safe atmosphere for all spectators; thus, ***no personal sporting or toy ball of any kind will be allowed into events.*** We thank you for your partnership in this endeavor.

FROM THE PRINCIPAL

Junior High Parent-Student Teacher Conferences

Thursday, October 10th from 12:00 Noon to 7:00 PM

and

Friday, October 11th from 8:00 AM to 11:00 AM

Conferences are held in the TCA North Secondary Commons (Cafe)

Dear Parents,

We are looking forward to you meeting with your child's teachers at our Parent- Child - Teacher Conferences in about two weeks. **We encourage all students to attend conferences with their parents.** Personal responsibility and ownership of their academic success is very important during the junior high years and beyond. As you prepare for conferences, the following procedures and scheduling information will help maximize the value.

Thursday and Friday Conferences: Arena Style Conference in-person meetings

To afford parents and their child the opportunity to meet with up to nine teachers, secondary conferences are conducted using the "arena" system rather than scheduling individual conferences as is the practice in our elementary schools. This means all teachers are available to all parents at all times during the conference sessions*. Parents do not sign up for conferences in advance. Junior High teachers will be located in the Student Commons / Secondary Café by the main entrance, so you can meet with them on a drop-in basis. As we cannot predict when the heaviest traffic will be, it is impossible to precisely estimate how much time you will need. It is reasonable to budget 15-20 minutes per teacher for both waiting time and a conference. Usually, you can gauge the line for each teacher and adjust accordingly to maximize your conference time and minimize your waiting time.

**Teachers who are unable to attend some or all of our pre-established conference times may notify their students and families of alternate conference dates and times.*

THE CONFERENCE: What to Expect:

Teachers will share a little about your child's academic success and involvement in their class. They will often ask some questions of your child (if they are attending with you) or you to get to know them better. This is a great time for you to share something we would not otherwise know about (IE: they love the subject, they are nervous about being called on, they struggle with tests, ...). Typically ending the conference with any questions you or your child might have about the class, their assignments, or their assessments. Conferences typically take about five minutes, but teachers will need to end the conference after ten minutes to make sure that there is enough time for all our families to meet with them.

I have included a link to the Infinite Campus Parent Portal below for you to prepare for the conferences. Infinite Campus is a great resource throughout the year to keep up on your child's homework completion, grades, and attendance. Throughout the school year you can call or email your child's teacher when you have a question or concern.

Please call the Junior High Office at 719-484-0091 if you have any questions about Parent-Teacher Conferences.

Sincerely,

Hugh Di Pretore
Junior High Principal

Yearbook UPDATE:

Have you ordered your yearbook yet? To order, go to <https://www.yearbookordercenter.com>. If you're prompted for a code, it is 16022. You can also get your 8th grade ads here, as well! We have sold out of yearbooks for the last two years, so be sure to act fast to secure a book for your student. Space for 8th grade ads is limited, so purchase your ad early so that we can make sure we have room for you! Ads are filled in the order they are purchased.

Do you love taking photos?

Students, we would LOVE to feature your photographs in the yearbook! We will be using photographs taken by Junior High Students for our divider pages, and first up is the FALL DIVIDER! **Sometime outside of school**, go out in nature and snap a photo of something that has FALL written all over it. We'll pick the best one and use it on the divider page! The photo should be a horizontal image and not have any people in it. It will be used as a background image. This photo can be taken on a cell phone, but if an actual camera can be used, that's best!

Once you've taken your photo, send it in via the eShare app, or www.hjeshare.com and use code tcajh (all lower case). Be sure to include the student's name as the submitter so that we can credit the selected winner. Thanks for participating!

As always, our yearbook staff would covet any photos you're willing to share with us (**especially softball, boys basketball, and things students do outside of school**)! The staff is made up of busy high school students, so we rely heavily on your contribution of photos to get the book produced! You can share photos by visiting: <https://hjeshare.com/eShare/home> Enter code: tcajh (case sensitive)

OR

Download the eShare app wherever you get your apps! Code is the same.

Since the staff is comprised of about 10 high school students, we also don't always know who is in the photos. So while we know filling in the blanks is time consuming, your time is SO appreciated when it's time to accurately identify students. Yearbook order info will be coming to your announcements in the next couple days, and early birds will get a little discount. Thanks so much for partnering with us!

JH COMMUNITY SERVICE PROJECT:

It's that time of year again! The time has come for TCA Junior High to participate in a community service project for our local Hope and Home, foster care agency. We will be collecting these items from now until December 13th.
