

MOEMS[®]

Mathematical Olympiads for Elementary and Middle Schools

MOEMS is one of the most influential and fun-filled math competition programs in the United States and throughout the world. More than 120,000 students from every state and 39 additional countries participate each year. The objectives of MOEMS are to teach multiple strategies for out-of-the-box problem solving, develop mathematical flexibility in solving those problems, and foster mathematical creativity and ingenuity. MOEMS was established in 1979 and is a nonprofit organization.
