## History

We are learning about the **Constitution**. In this unit,

students are being introduced to the basic functions of the American government: that it is based on the Constitution, the highest law of our land. Students will see government by the consent of the governed: "We the People." They will also learn about James Madison, the "Father of the Constitution."

Happy Fall!

## October Poem

### Windy Nights

*Robert Louis Stevenson*

Whenever the moon and stars are set,  
Whenever the wind is high,  
All night long in the dark and wet,  
A man goes riding by.  
Late in the night when the fires are out,  
Why does he gallop and gallop about?

Whenever the trees are crying aloud,  
And ships are tossed at sea,  
By, on the highway, low and loud,  
By at the gallop goes he.  
By at the gallop he goes, and then  
By he comes back at the gallop again.
