## Raider Athletes of the Month

### February, 2023

The Female Athlete of the Month for February is girl's wrestler Maddee Fischer. The sophomore had a strong finish to the end of the girl's wrestling inaugural season. She placed second at the 2023 Western PA HS Girls Championship and then placed fourth at the Western Regional Girls Tournament to qualify for the PA Girl's State Championships. Maddee was one of two SV wrestlers to qualify and she ended the championship weekend on the podium with an eighth place finish. All of this is made even more impressive factoring in this is Maddee's first year wrestling. For an impressive month, we recognize Maddee as the February Female Athlete of the Month. Congratulations Maddee!

The Male Athlete of the Month for February is boy's diver Isaiah Clerkley. The junior diver continued his record breaking year into the postseason. At the 2023 WPIAL Diving Championship, Isaiah blew the competition away while finishing in first place with a score of 559.35, 51.05 points higher than the second place finisher. At the 2023 PIAA Diving Championships, Isaiah finished in second place with a score of 302.95, narrowly missing first place by 3.35 points. We recognize Isaiah as the February Male Athlete of the Month. Congratulations Isaiah!
