

ATHLETES of the MONTH **May, 2017**

Mandy Magill, sophomore infielder for the Raider softball team, led her team in batting average (.500), hits (35), RBI's (24), doubles (10) and was second in runs scored (22) and on-base % (.613). Starting for the season at second base, Mandy went the entire season with only one error and for her play was honored as 1st-Team All-Section in the Big-56 Athletic Conference. Mandy was an instrumental piece of the Raiders section-winning season and we all look forward to the next two years and the talents she will bring to the field each day. Well done in 2017 Mandy!

Going out as the best is any athlete's dream and for senior Matt Sloan he did just that on Monday, May 8, 2017 as the Raiders defeated four-time defending champion North Allegheny for the WPIAL championship in boys' track and field. Matt was a key figure in the team's point totals as he collected first-place honors in both the high jump and triple jump that evening. At the WPIAL individual championships 10 days later Matt was a finalist in three events – high jump, long jump, and triple jump – and was named the team's MVP for field events. On the season Matt was also the top point scorer in all field events. We congratulate Matt on a fantastic career, season and month of May and wish him well as a graduate!
