Raider Athletes of the Month

February, 2021

The Female Athlete of the Month is junior girls basketball standout Olivia West. Olivia leads the Raiders in scoring as she is averaging nearly 16 points per game and almost 6 rebounds per contest. She is shooting 48% from the field and 38% from 3-point range. Olivia's size and skill has caused havoc for visiting teams. Due to injuries and youth, Olivia has been versatile in playing multiple different positions on the floor and her leadership has been outstanding. The #13-seeded Raiders will now travel to the #4-seed Mt. Lebanon Blue Devils in the opening round of the WPIAL 6A playoffs on Wednesday, March 3rd. For an outstanding month and exceptional junior campaign, we recognize Olivia as the February Athlete of the Month. Congratulations and best of luck in the WPIAL playoffs!

The Male Athlete of the Month is senior basketball sharpshooter Cole Brooks. Cole has helped pace the Raiders to an overall record of 10-10 and section record of 6-5 while averaging 23.2 points per game. Cole has scored 30-plus points in four games this season, including a season-high 35 points on three separate occasions. This season, he has made an impressive 97 3-point field goals while shooting 44% from behind the arc. Cole is shooting 60% overall from the floor and leads the team at the charity stripe at 80%. Cole's scoring has helped the Raiders enter the post-season as the 9th-seed as they will take on the 8th-seed Blue Devils of Mt. Lebanon in the opening round of the WPIAL 6A playoffs on Tuesday, March 2nd. For an outstanding month and a terrific senior season, we recognize Cole as the February Athlete of the Month. Congratulations and good luck in the WPIAL playoffs!
