- How would cancer financially impact your way of life?

We are pleased to offer exciting choices in your benefits program to help protect you against these unexpected moments.

Short Term Disability Insurance - replaces a portion of your income to help make ends meet if you are totally disabled due to a covered accident or covered sickness. This coverage helps you to maintain your lifestyle.

Life Insurance - Guarantee Issue Options Available! - enables you to tailor coverage for your individual needs and helps provide financial security for your family members.

Accident Insurance - helps offset unexpected medical expenses, such as deductibles and co-payments, that can result from a fracture, dislocation or other covered accidental injury.

Cancer Insurance - helps offset the out-of-pocket medical and nonmedical expenses related to cancer that most medical plans may not cover. This coverage also provides benefits for specified cancer-screening tests.

Critical Illness Insurance - complements your major medical coverage by providing a lump-sum benefit you can use to help pay the direct and indirect costs related to a covered critical illness.

Hospital Confinement Insurance - provides a lump-sum benefit for covered hospital confinement to help offset the gaps caused by co-payments and deductibles in most major medical plans.
