Dear Potential Volunteers,

We sincerely appreciate your willingness to volunteer at Ionia Public Schools. Your involvement plays a crucial role in enhancing the educational experience we provide. By collaborating with the community, we can make a meaningful difference in the lives of each and every student.

As we focus on delivering a quality education, ensuring the safety and well-being of our students remains a top priority. To this end, all volunteers are required to complete an application process. Each application will be subject to a background check conducted by Ionia Public Schools in partnership with the Michigan State Police data bank, ICHAT.

Please note that once verified, a volunteer's background check remains valid for one calendar year from the date the background check was conducted. We are excited about the opportunity to work together and look forward to our continued efforts in developing the youth of Ionia Public Schools, ultimately strengthening our entire community.

To fill out the volunteer application, please click the Volunteer Fillable Form to the left of this document. Once submitted and approved, your information will be sent to your child's school to inform the office and teacher of your approval.

Thank you for your commitment and support.

Sincerely,

A handwritten signature in cursive script that reads 'Melissa Weller'.
