

# WINGS WEEKLY

ALBUQUERQUE AVIATION ACADEMY NEWSLETTER

OCTOBER 3RD, 2024

## Crosswalks

Students, please use the areas on the map that are marked in yellow for crosswalks. These are the designated crosswalks by the City of Albuquerque and are the safest routes of getting you to and from school. We have reached out to Dan Lewis' office again to see about getting additional crosswalks and school lights across Ventana and Irving but until those are in place, please keep yourself safe and cross in these marked areas only.

Please read the flyer about the signature petition we are working on to get school zone signage and additional crosswalks below.

## Student Led Conferences

Sign-ups are available for our upcoming Student Led Conferences next week. Conferences are scheduled for October 8th & October 9th for both Middle and High School (the calendar has one day for each which is a little confusing).

There will be NO in-person classes those two days however students ARE expected to be working on their courses in Edgenuity and progressing throughout both days! We highly encourage families to attend and have that beginning of the year conversation with your students homeroom teacher!

FALL BREAK

## NO SCHOOL

Tuesday 10/8 and Wednesday 10/9 for student led conferences, Thursday 10/10 and Friday 10/11 for Fall Break! Monday 10/14 is a holiday, no school for Indigenous Peoples Day! Students should still work in Edgenuity from home Tuesday and Wednesday. Thursday, Friday and Monday the clock stops! If you are behind, it's a good time to catch up. If you are on track, it's a good time to get ahead!

Note: Teachers are NOT available during holidays including Fall Break to bypass and/or test.

SCHOOLMESSENGER®

The switch has taken effect (not without issues) but you will no longer be receiving two messages. All school communication will be coming from School Messenger. If something seems off, please reach out to the front desk. Thank you to those who let us know that attendance calls were calling everyone you ever knew in our system... we think we have that fixed now.

If you have not already done so, you need to Opt-In to Receive Text Messages.

Text "Y" to 67587 from each wireless device you wish to receive texts on. The wireless number must be listed in PowerSchool for that student to receive messages.

If you receive a text message that says it is from SchoolMessenger (67587), it will most likely be the Opt-In message so don't ignore!

Thank you for your patience during this transition time.

There is a growing amount of items in our Lost and Found located in the lunch room. If you're missing any personal belongings, be sure to check the Lost and Found before Fall Break (10/10). Unclaimed items will be donated!

Middle School Basketball Season is off to a great start.

# ATTENTION PARENTS

Did you know that according to the International Center for Academic Integrity, 64% of students admitted to cheating on a test? Unfortunately, Albuquerque Aviation Academy is not immune to these statistics. Here is what cheating **can** look like...

Copying work from another student

Having someone else do your work

Using a script bot or similar AI to complete your work

Using Google or another online platform to get the answer, especially during a quiz or test

Using AI to write your essays

Cheating can come in many forms and is not limited to what is listed above. Students will be caught! Consequences include (but not limited to) zero's for assignments, tests and quizzes, in-school or out-of-school suspension, even up to long-term suspension and expulsion from public schools for the remainder of the school year with no credit received for the course(s). Talk with your students about cheating and what the consequences will be. It is NOT worth it!

**Please take a minute to sign our online petition. We had communication with his office over a year ago and a traffic study was supposed to be completed, but we have not heard anything since.**
