

# HELP OUR WNC COMMUNITIES REBUILD

**DONATIONS NEEDED**

**Our Shady Grove students are well aware of the devastation in Western, NC and have been asking how they can help.**

**Shady Grove has adopted Mountain View Elementary School in Ashe County as our sister school in an effort to support and supply our Western, NC families and students with much-needed donations. Shady Grove student council members will be collecting donations from October 3 - October 18.**

**Let's empower our kids to help others in need. By including them in this important effort, we teach them how to make a difference in their world. When they see that it is possible, even for kids, to help others - they will want to help again and again.**
