- 1.2 The aims of this policy are as follows:
- 1.2.1 to develop and maintain a whole school culture that promotes the benefits of good attendance;
 - 1.2.2 to ensure, so far as possible, that every pupil in the School is able to benefit from and make their full contribution to the life of the School;
 - 1.2.3 to prioritise and where possible improve attendance and punctuality across the School, reduce absence and set out the School's approach to the management of absence / non-attendance;
 - 1.2.4 to recognise the linkages between attendance / absence and pupil wellbeing, specifically ensuring a consistent whole school approach to safeguarding; and
 - 1.2.5 to help to promote a whole school culture of safety, equality and protection.

6 Responsibility statement and allocation of tasks

- 6.1 The Board of Governors has overall responsibility for all matters which are the subject of this policy.

7 The importance of good attendance

7.1 The School recognises the importance of developing good patterns of attendance from the outset. This is an integral part of the School's ethos and culture. In building a culture of good school attendance it recognises:

- 7.1.1 the importance of good attendance, alongside good behaviour, as a central part of the school's vision, values, ethos, and day to day life;
- 7.1.2 the interplay between attendance and wider school improvement efforts, building it into strategies on attainment, behaviour, bullying, special educational needs support, supporting pupils with medical conditions and / or disabilities, mental health issues, safeguarding wellbeing, and support for disadvantaged pupils;
- 7.1.3 the importance of setting high expectations for the attendance and punctuality of all pupils and communicating these regularly and effectively to pupils and parents;
- 7.1.4 that attendance is never "solved" and is a continuous process requiring revision and updating of messages, processes and strategies; and
- 7.1.5 children missing education can act as a vital warning sign to a range of safeguarding issues, including neglect, sexual abuse and child sexual and criminal exploitation.

8 School responsibilities

- 8.1 The School acknowledges that attendance is the essential foundation to securing positive outcomes for all pupils and that everyone has a responsibility to take proactive steps to manage and improve attendance across the School community.
- 8.2 The School will consistently promote the benefits of good attendance, setting high expectations for every pupil and consistently communicating those expectations to pupils and parents.
- 8.3 Where there are challenges to attendance, the School will work effectively and respectfully with pupils, their families and, where appropriate, local authorities to address them.
- 8.4 The School will respond to non-attendance and / or lateness proactively, firmly, consistently and with care, with appropriate reference to this policy, its safeguarding and behaviour policies and the School's terms and conditions. It will act in a proportionate and targeted way in response to data or intelligence and ensure intervention is regularly reviewed.
- 8.5 The School will have robust systems in place to track and record attendance, reasons for absence and patterns at an individual level and by cohorts or groups in order to identify pupils at risk of non-

attendance and those who are persistently absent and it will monitor and analyse this data regularly to facilitate early intervention to address issues.

9 Staff responsibilities

The SAC

9.1 The Board of Governors has appointed a senior member of staff of the School's leadership team as SAC to have overall responsibility for championing and improving attendance in school. Details of the individual appointed are at the front of this policy and are widely publicised within School.

9.1.1 The SAC's responsibilities are:

- (a) to set a clear vision for improving attendance in school;
- (b) to establish and maintain effective systems for tackling absence and make sure the systems are followed by all staff;
- (c) to regularly monitor and evaluate progress, including the efficacy of the school's strategies and processes;
- (d) to have oversight of and analyse attendance data; and
- (e) to communicate clear messages on the importance of attendance to pupils and parents.

9.2 Staff with specific responsibilities for attendance⁴:

The staff identified in Appendix 1 of this policy have day to day responsibility for monitoring and promoting good attendance and punctuality. They should:

- 9.2.1 have a formal routine for registers being taken accurately each morning and afternoon;
- 9.2.2 seek explanations of absences required from pupils on their return to School;
- 9.2.3 make enquiries about unexplained absences, including those within the school day, and follow up with pupil to ensure that an explanation has been formally given to the School;
- 9.2.4 look out for trends or patterns in a pupil's attendance and inform the SAC of any specific concerns;
- 9.2.5 deal with lateness to lessons consistently and promptly;
- 9.2.6 consider appropriate sanctions for pupils who arrive late to a lesson in line with the School's behaviour and discipline policies; and
- 9.2.7 discuss non-attendance and / or lateness with pupils and parents (where possible) and emphasise the importance of punctuality and attendance.

9.3 All staff

9.4 The School ensures that all teaching and non-teaching staff know the importance of good attendance and are consistent in their communication with pupils and parents about it.

⁴ The School should provide information and contact details of the staff who pupils and parents should contact about attendance on a day to day basis (such as a form tutor, head of year etc) and for more detailed support on attendance (such as a head of year, pastoral lead or family liaison officer etc) in Appendix 1

9.5 The School provides appropriate training and professional development for staff consistent with their roles and responsibilities.

10 **School arrangements**

10.1 The School will accurately complete admission and attendance registers and have effective day to day processes in place to follow-up absence. These registers must be kept electronically. Contact details of relevant staff can be found at the front of the policy and other details about the School's arrangements can be found in Appendices 1-3.

11 **Monitoring attendance**

11.1 The School will undertake regular data analysis to identify and provide additional support to pupils or pupil cohorts that need it, and to look at historic and emerging patterns across the School and develop strategies to address them. Such analysis may include:

11.1.1 monitoring and analysing weekly attendance patterns and trends and provide support in a targeted way to pupils and families;

11.1.2 using this analysis to provide regular attendance reports to class teachers to facilitate discussions with pupils and to leaders (including the special educational needs coordinator and designated safeguarding lead);

11.1.3 conducting thorough analysis of half-termly, termly, and full year data to identify patterns and trends;

11.1.4 benchmarking attendance data at whole school, year group and cohort level to identify areas of focus for improvement;

11.1.5 devising specific strategies to address areas of poor attendance identified through data;

11.1.6 monitoring the impact of school-wide attendance efforts, including any specific strategies implemented; and

11.1.7 providing data and reports to the Board of Governors to support its work.

12 **Pupil responsibilities**

12.1 School attendance is important to pupil attainment, wellbeing and development. The School therefore has high expectations of pupils as to their attendance and has systems in place to reward good attendance and manage poor attendance.

12.2 Pupils should be aware that:

12.2.1 they are expected to be present in-person for the duration of each School day;

12.2.2 they are expected to arrive on time and attend all timetabled lessons;

12.2.3 they should not leave a lesson or the School site without permission or otherwise in accordance with School rules;

12.2.4 they should engage with the School's arrangements for recording and managing attendance as set out in this policy;

12.2.5 any unexplained absence will be followed up;

12.2.6 persistent lateness or non-attendance will result in action being taken by the School. This may take the form of:

- (a) offers of support to seek to identify and address any barriers to attendance;
- (b) communication with parents;
- (c) reporting to other agencies such as children's social care; and
- (d) sanctions against them or their parents in line with the School's behaviour policies.

12.2.7 If pupils are having difficulties that might discourage or prevent them from attending School or specific lessons regularly, they may speak to any member of staff, although the School encourages them to speak to their House Team or those staff identified in Appendix 1 in the first instance. Pupils are entitled to expect this information to be managed sensitively.

13 Additional needs

13.1 The School recognises some pupils may find it harder than others to attend School, and will work with those pupils and parents to try to remove barriers to attendance by building strong and trusting relationships and working together to put the right support in place.

13.2 The School will make reasonable adjustments⁵ where a pupil has a disability that puts them at a substantial disadvantage, in comparison with pupils without a disability, in relation to school attendance.

13.3 It will also work with parents, and where appropriate with the local authority, to develop specific support approaches for attendance for pupils with special educational needs and disabilities e.g., ensuring the provision outlined in a pupil's education, health and care plan is accessed.⁶

13.4 Suitable strategies will also be considered for pupils with any social, emotional or mental health issue that is affecting their attendance⁷.

13.5 Where barriers are outside of the School's control, the School will work with parents and pupils to identify alternative sources of support or consider, where appropriate, making a referral for early help.

13.6 The School will make a sickness return to the local authority if a pupil is recorded in the attendance register as absent using the national absence code I (unable to attend because of sickness) and there are reasonable grounds to believe that the pupil will have to miss 15 consecutive school days or more for illness or the pupil's total number of school days missed during the current school year because of illness (whether consecutive or cumulative) will reach or exceed 15 school days.⁸

⁵ In this case to meet the school's duty to make reasonable adjustments for pupils with a disability under section 20 of the Equality Act 2010.

⁶ The Mental health issues affecting a pupil's attendance: guidance for schools states in the non-statutory summary of responsibilities document that 'in many cases the school may be able to agree with parents / carers adjustments to its policies and practices that are consistent with the special educational provision set out in the EHC plan. In other cases, additional or different attendance support identified may require the LA to review or amend an EHC plan.'

⁷ See Mental health issues affecting a pupil's attendance: guidance for schools which includes a Summary of responsibilities where a mental health issue is affecting attendance and Support for pupils where mental health is affecting attendance: effective practice examples

⁸ See paragraph 57 of the statutory guidance Working together to improve school attendance: applies from 19 August 2024

14 Parent / carer responsibilities

- 14.1 The law entitles every child of compulsory school age to an efficient, full-time education suitable to their age, aptitude and any special educational need they may have. It is the legal responsibility of every parent to make sure their child receives that education.
- 14.2 This means pupils must attend every day that the School is open, except in a small number of allowable circumstances such as being too ill to attend or being given permission for an absence in advance from the School.
- 14.3 The School will help parents to understand what is expected of them and why attendance is important to their child's attainment, wellbeing, and wider development and provide clarity on the short and long term consequences of poor attendance.
- 14.4 Expectations the School places on parents can be found in Appendix 1 of this policy.
- 14.5 Parents are bound by the terms relating to conduct and attendance in the parent contract and failure to ensure a child's attendance or engage with the School about it could amount to a breach of contract or a finding that the parent is treating the School unreasonably.

15 Training

- 15.1 **Staff:** The School ensures that regular guidance and training on attendance is arranged on induction and at regular intervals thereafter so that staff and volunteers understand what is expected of them by this policy and have the necessary knowledge and skills to carry out their roles. As a minimum this will include all staff understanding:
 - 15.1.1 the importance of good attendance and that absence is almost always a symptom of wider circumstances; and
 - 15.1.2 the School's strategies and procedures for tracking, following up and improving attendance.
- 15.2 Dedicated attendance training is provided to any member of staff with a specified attendance function in their role, including administrative, pastoral or family support staff and senior leaders. This should include:
 - 15.2.1 the law and requirements of schools including on the keeping of registers;
 - 15.2.2 the process for working with other partners to provide more intensive support to pupils who need it;
 - 15.2.3 the necessary skills to interpret and analyse attendance data; and
 - 15.2.4 any additional training that would be beneficial to support pupils and pupil cohorts overcome commonly seen barriers to attendance.
- 15.3 The School maintains written records of all staff training.

16 Information sharing

- 16.1 Personal information on attendance will only be shared in line with legal obligations and having regard to government guidance on attendance, safeguarding and children missing education.
- 16.2 The School, local authorities and other local partners should work jointly and share data on individual cases where it is of benefit to a pupil (e.g., health services where there are medical conditions or the police where there are extra-familial harms).

- 16.3 Where appropriate the School will attend regular targeting support meetings.⁹
- 16.4 The School is legally required to share information from the registers with the local authority. As a minimum this includes:
 - 16.4.1 New pupil and deletion returns;
 - 16.4.2 Attendance returns¹⁰;
 - 16.4.3 Sickness returns.
- 16.5 The law allows local authority officers access to the attendance and admission registers of all types of schools to carry out their functions under the Education Acts to support joint working between schools and local authorities. These officers are also permitted to take digital or physical extracts of the School's registers.
- 16.6 The School must provide specific pupil information on request to the Secretary of State. The School meets this requirement by having an electronic management information system containing the required information that can be accessed by the DfE¹¹. The School also uses this tool to monitor pupil level attendance and understand trends in attendance patterns.
- 16.7 Where appropriate, the School is expected to inform a pupil's social worker and/or youth offending team worker if there are unexplained absences.

17 Record keeping and confidentiality

- 17.1 All records created in accordance with this policy are managed in accordance with the School's policies that apply to the retention and destruction of records.
- 17.2 The information created in connection with this policy may contain personal data. The School's use of this personal data will be in accordance with data protection law. The School has published privacy notices on its website which explain how the School will use personal data.

⁹ Targeting support meetings are meetings local authorities have with schools to discuss attendance data and identify pupils and cohorts at risk of poor attendance and agree targeted actions and access to services for those pupils. See chapter 4 of the statutory guidance Working together to improve school attendance: applies from 19 August 2024.

¹⁰ Schools are required to provide attendance returns to the local authority with the names and addresses of all pupils of compulsory school age who fail to attend school regularly or have been recorded as absent for a continuous period of ten school days where their absence has been recorded with one or more of the national attendance codes (G, N, O, and/or U). Individual local authorities must agree the frequency that attendance returns are to be provided with all schools in their area. This should be no less frequently than once per calendar month - see chapter 2 and content on sharing information in the statutory guidance Working together to improve school attendance: applies from 19 August 2024.

¹¹ The DfE has stated that the easiest way to meet the requirement to share the data is to have an electronic management information system containing the required information that can be accessed by the DfE. Once the school has granted permission the flow of data is completely automated and does not place any further burden on schools or local authorities.

Appendix 1 School arrangements¹²

1 Managing attendance

- 1.1 The School monitors, records and shares data about pupil attendance and as part of its duty to safeguard and protect pupils and promote attendance. It accurately completes admission and attendance registers¹³ as required by law and set out in Appendix 2 and Appendix 3 respectively. The admission and attendance registers must be kept electronically and retained by the School for the relevant time period as stated by law.
- 1.2 The School expects all pupils to be present at School for the whole of the School day, usually from registration at 08:00 to close at 18:00, but this period may be extended, for example for out of school clubs, sports fixtures or school trips.

2 The role of parents / carers

- 2.1 The School expects all Parents to:
 - 2.1.1 make any application for an authorised leave of absence at the earliest opportunity via the House Office;
 - 2.1.2 notify the School of any absence or delay as soon as reasonably possible in accordance with this policy and when doing so, give an accurate explanation for this; and
 - 2.1.3 cooperate with the School to explore possible barriers to attendance and to improve it where attendance has been raised as an issue.
- 2.2 Parents of day pupils should ensure their child attends School by 08:00 for morning registration;
- 2.3 Parents of boarding pupils should ensure their child returns to their boarding accommodation by 20:30 (Under School) or 21:00 (Specialists) on Sunday before the beginning of the school week or by 08:00 on the Monday morning.

3 Registration and attendance checks

- 3.1 Morning registration is from 07:15-08:45. The registers will remain open for 45 minutes after the start of Morning Adsum.
- 3.2 Afternoon registration will be from 13:00-14:00 during Adsum.
- 3.3 Registers will also be called at the beginning of each lesson in order to identify and follow-up on absences from lessons that might occur after morning or afternoon registration.
- 3.4 The School uses iSAMS Registration and Attendance Management Systems¹⁴
- 3.5 Registers will also be called for boarders between 18:00-19:15 and 21:45-22:45 and at regular intervals for boarders remaining at School on Saturdays and Sundays.

¹² The School should tailor this section to ensure that its arrangements are set out clearly

¹³ Boarding schools without day pupils are not required to keep an attendance register. Schools with a mixture of day pupils and boarders must keep an attendance register for the day pupils.

¹⁴ There is no requirement for the policy to specify which systems it uses, however we have retained this wording should schools wish to include this level of detail.

4 Reporting absence

Parents should:

- 4.1 Report absence at the earliest reasonable opportunity and by 08:00 on the morning of the first day of their child's absence to their child's House Office.
- 4.2 Respond to text alerts and/or phone calls by 10.30am where their child is reported late or absent;
- 4.3 Provide the school with at least 2 emergency contact numbers for their child and keep their contact details up to date by notifying the Data Manager by email to: datamanager@charterhouse.org.uk of any amendments at the earliest opportunity;
- 4.4 Ensure that, where possible, medical or dental appointments for their child are made outside of the school day;
- 4.5 Inform the school as soon as possible of any circumstances that may result in the pupil being taken off roll in the future.

5 Arrangements for reporting subsequent absence

- 5.1 Absence will be recorded on the Attendance Register as set out in Appendix 3.
- 5.2 On every day of absence until their return to school parents should contact the House office and advise when the pupil is expected to return;

6 Managing absence

- 6.1 Where any pupil we expect to attend school does not attend and we have not heard from their parent by 09:00 on Monday or 21:00 on Sunday evening, the **House Staff will:**
 - Send a text or email to the pupil's parent/guardian to inform them that their child is absent from school; and if no reply is received within 30 minutes, phone the parent/guardian of the pupil to establish their child's whereabouts.
 - Identify whether the absence is approved or not through obtaining medical evidence;
 - Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session.
 - If they have been unable to contact a parent/guardian, log as an incident on CPOMS. The matter may be referred to the child's home local authority;
 - Call the parent on each day that the absence continues without explanation to ensure proper safeguarding action is taken where necessary and ensure that Admissions are aware of any sponsored pupil this affects.
 - If absence continues for 10 consecutive days, the school will consider involving the child's home local authority Children Missing Education (CME) team and the absence will be marked as unauthorised;
- 6.2 For pupils returning to School after an extended absence, the pupil will be monitored by the School's Welfare Management Committee. A child-centred review meeting will be called by a member of this team to co-produce a plan with the child, their parents and relevant professionals.

7 Reducing persistent and severe absence

7.1 Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. The School will:

- use attendance data to find patterns and trends of persistent and severe absence;
- hold regular meetings with the parents of pupils who the school considers to be vulnerable, or are persistently or severely absent, to discuss attendance and engagement at school;
- seek to identify barriers to attendance and remove these wherever practicably possible;
- Signpost or provide access to wider support services to remove the barriers to attendance.

Early action is taken to reduce the risk of persistent absence. When attendance falls within the following thresholds, specific actions will be undertaken by key members of staff as detailed below. Discretion will need to be exercised in some individual cases and at some points during the school year, particularly during the first term.

100% to 97%: attendance is at an acceptable level. On the first day of each absence the Head of House will call home to acknowledge the absence and to clarify the reasons and expected return date. No further action will be taken.

Below 97% to 95%: parents/carers will be phoned by House Staff requesting medical evidence where appropriate. The House Staff continue to call home on the second day and subsequent day of each absence to acknowledge the absence and to clarify the reasons and expected return date.

Below 95% to 90%: A member of the pastoral team contacts parents/carers to request their attendance at a meeting with them and/or Head of House to discuss their child's attendance and to agree a plan. The plan is monitored by the Welfare Management Committee and a plan of support put in place to remove any barriers to attendance. The Head of House continues to call home on the second day of each absence to acknowledge the absence and to clarify the reasons and expected return date.

Below 90%: An email will be sent on the first day of each absence reminding parents/carers that they have a legal duty to ensure regular attendance and if they fail to do so, they may be committing an offence under Sections 7 and 444 of the Education Act 1996 (see legal sanctions below). The pupil's attendance case will be passed over to the local authority for further intervention and review. The Head of House continues to call home on the second day of each absence to acknowledge the absence and to clarify the reasons and expected return date. The case will be reviewed by the School's Welfare Management Committee.

8 Authorised absences

8.1 Authorised absence means that the School has either given approval in advance for a pupil to be away (granted an authorised leave of absence) or has accepted an explanation offered afterwards as justification for absence.

9 Applications for an authorised leave of absence

9.1 Applications for authorised leaves of absence during the School day will only be granted in exceptional circumstances and will only be permitted if made in writing to a Deputy Head via the House Office.

- 9.2 The School will consider each application for an authorised leave of absence individually, taking into account the specific facts and circumstances, the pupil's past attendance record and the relevant background context behind the request.
- 9.3 Apart from illness, no pupil should be away from School without prior permission from the Head (delegated to Deputy Heads).
- 9.4 Dental or medical appointments should be made during School holidays except in cases of emergency when the House Office should be informed.
- 9.5 If a leave of absence is granted, it is for the Head (delegated to Deputy Heads) to determine the length of the time the pupil is permitted to be away from School. It will be recorded as an authorised absence. See section 3 of Appendix 3 for more details.
- 9.6 A leave of absence will usually be authorised for religious observance if the day concerned is exclusively set apart for religious observance by the religious body to which parents and pupils belong. Parents are expected to make a request for this type of leave of absence in advance.

10 Reporting duties

- 10.1 The School has statutory reporting obligations if a pupil fails to attend school regularly. The School must report unauthorised absences for a continuous period of 10 days or more to the local authority.
- 10.2 In the event that a pupil holding a Student or Child Student visa sponsored by the School under the Points Based System goes missing¹⁵, the School will report to UKVI if the pupil misses ten consecutive expected contact points.
- 10.3 Each time the School's attendance register is completed it is treated as a contact point for these purposes.¹⁶
- 10.4 The report will be made by the School's Level 1 user via the Sponsor Management and in accordance with prevailing UKVI guidance
- 10.5 Action will also be taken in accordance with the Children Missing Education (CME) and Education other than at School (EOTAS) policy and Safeguarding and Child Protection policy if any absence of a pupil from the School gives rise to a concern about their welfare.

¹⁵ Children being absent from school, particularly repeatedly and / or for prolonged periods and children missing education, can act as a vital warning sign of a range of safeguarding issues, including exploitation. Exploitation can affect any child, however international students may be at greater risk than other children. UKVI's Student Sponsor Guidance states that a school must have appropriate policies and procedures in place to ensure the safety, wellbeing and protection from exploitation of the children whom it sponsors to study in the UK under the Child Student route.

¹⁶ The School may wish to insert its own definition of contact points e.g. just morning registration

Appendix 2 Admission register

1 Admission register

- 1.1 In accordance with the requirements of the School Attendance (Pupil Registration) (England) Regulations 2024 the School will:
 - 1.1.1 maintain an admission register of all pupils (of both compulsory and non-compulsory school age) admitted to the School (also known as the school roll); and
 - 1.1.2 inform the local authority of any pupil who is going to be added to or deleted from the School's admission register at non-standard transition points.
- 1.2 The admission register must be kept electronically and a back-up copy of the register is made at least once a month in the form of an electronic or printed copy.
- 1.3 The School must ensure that every entry in the School's admission register is preserved for six years beginning with the day on which the entry was made; and every back-up copy of the register is preserved for six years after the end of the school year that it relates to.
- 1.4 The admissions register contains specific personal details of every pupil in the School, including their date of admission, information regarding parents and carers and details of the school they last attended and whether each pupil of compulsory school age is a boarder or day pupil.¹⁷
- 1.5 A pupil's name can only be deleted from the admission register for a reason set out in regulation 9 of the School Attendance (Pupil Registration) (England) Regulations 2024. When any of the situations set out in regulation 9 occurs, the pupil's name must be deleted.¹⁸
- 1.6 Where the School notifies the local authority that the pupil's name is to be deleted from the admission register, the School must provide it with the following information:
 - 1.6.1 the full name of the pupil;
 - 1.6.2 the address of the pupil;
 - 1.6.3 the full name and address of any parent the pupil normally lives with;
 - 1.6.4 at least one telephone number of any parent with whom the pupil lives or can be contacted in an emergency;
 - 1.6.5 the pupil's future address, the full name and address of the parent who the pupil is going to live with, and the date the pupil is expected to start living there, if applicable;
 - 1.6.6 name of the pupil's other or future school and pupil's start date or expected start date there, if applicable;
 - 1.6.7 the ground (prescribed in regulation 9) under which the pupil's name is to be deleted from the admission register.

¹⁷ Regulation 8 of The School Attendance (Pupil Registration) (England) Regulations 2024 specifies what information must be included in the admissions register. See also chapter 7 of the statutory guidance Working together to improve school attendance: applies from 19 August 2024.

¹⁸ Schools must refer to regulation 9 of The School Attendance (Pupil Registration) (England) Regulations 2024 for full details of the legal grounds for deleting a pupil from the registers. See also chapter 7 of the statutory guidance Working together to improve school attendance: applies from 19 August 2024.

Appendix 3 Attendance register

1 Attendance register

- 1.1 The School records and monitors the attendance of all pupils (both of compulsory and non-compulsory school age) in accordance with the School Attendance (Pupil Registration) (England) (Regulations) 2024¹⁹
- 1.2 The School uses the appropriate national attendance and absence codes system to enable it to record and monitor attendance and absence in a consistent way which complies with regulation 10 of the Attendance Regulations.
- 1.3 The attendance register is kept electronically and a back-up copy of the register is made at least once a month in the form of an electronic or printed copy.²⁰
- 1.4 The School will also use these records to identify patterns of poor attendance (at individual and cohort level) and work with pupils and parents to resolve any issues before they become entrenched.
- 1.5 The School is required by law to take attendance registers twice daily - once at the start of the morning session and once during the afternoon session.
- 1.6 On each occasion it will be recorded whether every pupil with the exception of a pupil who is a boarder is:
 - 1.6.1 physically present in school when the attendance register begins to be taken; or
 - 1.6.2 absent from the school when the attendance register begins to be taken but attends before the taking of the register has ended; or
 - 1.6.3 attending a place other than the school; or
 - 1.6.4 absent.
- 1.7 The circumstances in which a pupil may be recorded as attending a place, other than the school, can include:
 - 1.7.1 Attending educational provision arranged by a local authority;
 - 1.7.2 Attending an educational visit or trip arranged by or on behalf of the school and supervised by a member of school staff;
 - 1.7.3 Attending a place for an approved educational activity that is a sporting activity;
 - 1.7.4 Attending an approved educational activity that is work experience provided under arrangements made by the school as part of the pupil's education;
 - 1.7.5 Attending a place for any other approved educational activity.

¹⁹ Regulation 10 of The School Attendance (Pupil Registration) (England) Regulations 2024 specifies what information must be included in the attendance register. See also chapter 8 of the statutory guidance Working together to improve school attendance: applies from 19 August 2024.

²⁰ Registers are legal records and the School must preserve every entry in the attendance or admission register for 6 years from the date that the data was entered.

2 Recording absence

- 2.1 Absence will be recorded in accordance with the national absence codes set out in regulation 10 of the School Attendance (Pupil Registration) (England) (Regulations) 2024 and statutory guidance Working together to improve school attendance relating to:
- 2.1.1 leaves of absence;
 - 2.1.2 other authorised reasons;
 - 2.1.3 unable to attend school because of unavoidable cause;
 - 2.1.4 unauthorised absence.²¹

3 Remote education

- 3.1 The School is required to record all absence from in-person lessons.
- 3.2 The School may, in limited circumstances, provide remote education to enable pupils, who are well enough to learn but unable to attend the School site, to keep pace with their education.
- 3.3 In the limited circumstances when the School decides to use remote education for individual pupils when they are absent, the following will be considered:
- 3.3.1 ensuring mutual agreement of remote education by the School, parents or carers, potentially pupils, and if appropriate a relevant medical professional. If the pupil has an Education, Health and Care plan or has a social worker, the local authority should also be involved in the decision;
 - 3.3.2 if remote education is being used as part of a plan to reintegrate back to school, putting a formal arrangement in place to review its efficacy regularly, alongside identifying what other support and flexibilities can be put in place to help ease the pupil back to school at the earliest opportunity;
 - 3.3.3 setting a time limit within which the period of remote education provision should be reviewed, with the aim that the pupil returns to in person education with the required support in place to meet their needs.
- 3.4 Pupils who are absent from school and receiving remote education still need to be recorded as absent using the most appropriate absence code. The School will keep a record of, and monitor pupils' engagement with remote education, but this is not formally tracked in the attendance register. Where appropriate, this information may be used to make plans for a pupil's reintegration to school.
- 3.5 The School will utilise a digital education platform that will be kept up-to-date and keep pupils safe. Staff will remain trained and confident in its use.
- 3.6 The School has an established remote education plan in place which is reviewed at least annually in consultation with staff.²²

²¹ Schools should refer to regulation 10 of The School Attendance (Pupil Registration) (England) Regulations 2024 to ensure they are correctly recording reasons for absence and the applicable commentary in chapter 8 of the statutory guidance Working together to improve school attendance: applies from 19 August 2024.

²² The DfE's non-statutory guidance on providing remote education recommends (if a plan is in place) it should demonstrate a consideration of any additional burdens that providing remote education may place on staff and families.

4 **Unauthorised absence**

- 4.1 The "unauthorised absence" code will be used when prior permission for absence has not been given and where the School is not satisfied with the explanation given for absence or delayed attendance meaning that the code for "unable to attend due to an exceptional circumstance" is not appropriate. Examples include:
 - 4.1.1 holiday has not been authorised by the School or is in excess of the period determined by the Head;
 - 4.1.2 the reason for absence has not been provided;
 - 4.1.3 a pupil is absent from school without authorisation;
 - 4.1.4 a pupil has arrived in school after registration has closed and without reasonable explanation.

Appendix 5

Illness

Pupils may remain in House and miss School because of illness, although the amount of time needed will differ according to the severity of their condition:

A Day in House – a pupil remains in House for the whole day, not going out for any reason – academic, co-curricular or social.

Time Out – may be granted for something that may go away by morning break, such as a headache which will respond to painkillers. Providing the pupil is back in lesson immediately after morning break, the pupil can continue with the rest of the day's activities, at the discretion of the House staff. This enables pupils to avoid missing too much School.

Returned to House – If a pupil has to return to House during the course of the day, they will generally be given a 'Day in House'. This can only be agreed after a visit to the HHC or HHC Hub (see below.)

Procedure

The Assistant Head of House, or another member of the House team, may grant a Time Out or Day in House if a pupil is clearly unwell enough to attend School.

If staff have any concerns that a pupil may not be ill, or indeed has something more serious such as a temperature, D&V, persistent pain etc. then they should be sent to the HHC or HHC Hub to be checked by one of the Nurses.

Any pupil who needs to leave a lesson because of feeling unwell **MUST** attend the HHC Hub **BEFORE** returning to House. If deemed necessary, pupils sent back sick from lessons may be accompanied by another pupil under instructions to deliver them to an adult in the HHC Hub. The accompanying pupil should return to the teacher who sent them away to confirm that this has happened.

The HHC/Hub may authorise a pupil to return to House. Any pupil returning directly to House should be sent to the HHC/Hub to be checked by a Nurse.

Off-change

Pupils can only be signed off-change (not required to take part in sport/activities) by a medical professional at the HHC. A determination will be made whether a pupil may be excused entirely from attendance and participation or whether they are well enough to attend the session and assist the staff and support their peers.
