

# GCA LEARNING COACHES SOAR

Expectations	How can you help your student SOAR:	SOARing Learning Coaches:
Safe	Make sure your student is using teacher approved resources and following the GCA handbook.	Protect your student's private information. Maintain & submit attendance documentation to Attendance Spec. via Nucleus.
On Task	Ensure your student is following directions and is staying on the assigned task.	Provide your student with a quiet, distraction-free workspace.
Awesome Attitude	Have your student use kind words and facial expressions while putting forth their best effort.	Make sure your student completes assignments on their own and is respectful to others' cultures, opinions, and viewpoints.
Responsible	Confirm that your student is joining class on time, is on camera, and turning in assignments on time.	Openly communicate with your student's teachers, and ensure your student is attending class.

Review the SOAR matrix with your student!
