#### Communication

Construction may make things look a little different this year but we will do our best to keep you informed of all school events. Information about Title 1 programs will be provided through our website, booklets/brochures, and an informational Video shown at least twice yearly at the Title 1 Meeting. The Title 1 Parent Handbook is sent home with each student. PIRC information is on our website. Curriculum and assessment information is shared by teachers at Open House, during parent teacher conferences, and through their classroom newsletters and our website. Assessment information is sent home to parents via backpack and is also available on our website. Parents may provide input to the school via parent input forms, attending SAC or PTA meetings, school website, Parent Portal, Focus, Interim Reports, student planners and student report cards. All documents will be translated when needed.

#### Flexible Parent Meetings

Information regarding parent participation is provided via school website; phone messages, student planner, marquee, parent/teacher conferences, student backpacks, workshops, & meetings. Books and videos in Spanish are available in the Media Center. The Parents to Kids program is offered yearly. Parents with special needs are accommodated. All areas of Orange City Elementary are handicap accessible.
