INTRODUCTION

Welcome to Georgetown Independent School District!

Our substitutes are a critical and vital part of the operations of our school district. We consider every teaching day to be important in the life of our students and we are grateful that you have chosen to serve our community. In the absence of the regular teacher, our substitutes provide consistency for our students to support their continued learning by following the lesson plans, goals, policies and routine of the campus .

The duties of a full-time employee cannot be defined by written rules and regulations. This booklet does not try to encompass the entire scope of duty of the substitute, nor does it address every question a substitute will encounter. Success is dependent upon responsible, professional decision-making, which is governed by good judgment. It is important to remember that the welfare of all students should be of utmost importance at all times.

This is a general guide to provide assistance in defining areas of responsibility and will serve as a valuable reference. It is our desire that an understanding of the topics addressed herein will lend itself to a more efficient operation of our district. The provisions of this handbook do not constitute an employment agreement or a guarantee to continued employment. GISD reserves the right to change or add any provision herein when deemed in the best interest of the district.

We are very thankful that you have chosen GISD!

DISTRICT INFORMATION

Georgetown ISD serves more than 13,200 students at ten elementary schools, four middle schools, three high schools, and two alternative campuses.

Vision: Home of the most inspired students, served by the most empowered leaders.

Mission: Inspiring and empowering every learner to lead, grow, and serve.

- *Community engagement enhances educational experiences. [collaboration + engagement]*

Strategic Direction

During the fall of 2022, Georgetown ISD embarked on a discovery process to review the existing strategic plan, identify areas where the district was both performing well and needed improvement, review the system's capacity for change and establish a strategic direction for the future. This work took place over a period of six months and included feedback from more than 1,000 community members, parents, GISD staff members and students.

From this process, four strategic priority areas were identified:

- Student Learning, Growth and Progress
- Student and Staff Well-Being
- Staff Recruitment and Retention
- Community and Connectivity

Each priority area is supported by a picture of success and includes objectives that will guide the work on the district moving forward and will be evidenced in district and campus improvement plans. The new Strategic Direction was adopted by the board in March 2023 and provides a framework for campuses and departments that prioritizes district-wide objectives and provides for more frequent and transparent evaluation of progress.

EMPLOYMENT

Equal Employment Opportunity

Policies [DAA](#) , [DIA](#)

Georgetown ISD does not discriminate against any employee or applicant for employment because of race, color, religion, sex (including pregnancy, sexual orientation, or gender identity), national origin, age, disability, military status, genetic information, or on any other basis prohibited by law. Additionally, the district does not discriminate against an employee or applicant who acts to oppose such discrimination or participates in the investigation of a complaint related to a discriminatory employment practice. Employment decisions will be made on the basis of each applicant's job qualifications, experience, and abilities.

All substitutes must complete the new hire documents associated with the hiring process prior to beginning work. This includes providing the human resources department with copies of all relevant certificates, forms, etc.

In accordance with Title IX, the district does not discriminate on the basis of sex and is required not to discriminate on the basis of sex in its educational programs or activities. The requirement not to discriminate extends to employment. Inquiries about the application of Title IX may be referred to the district's Title IX coordinator, to the Assistant Secretary for Civil Rights of the Department of Education, or both.

The district designates and authorizes the following employee as the Title IX coordinator for employees to address concerns or inquiries regarding discrimination based on sex, including sexual harassment: Stacie Seveska, Director of Campus Operations and Title IX, 507 E. University Avenue, Georgetown, TX 78626, seveskas@georgetownisd.org, (512) 943-5000. Reports can be made at any time and by any person, including during non-business hours, by mail, email, or phone. During district business hours, reports may also be made in person.

The district designates and authorizes the following employee as the ADA/Section 504 coordinator for employees for concerns regarding discrimination on the basis of a disability: Tamra Marbibi, Director of Dyslexia / 504, 507 E. University Avenue, Georgetown, TX 78626, marbibit@georgetownisd.org, (512) 943-5000.

Qualifications for Hire

To be a substitute teacher in Georgetown ISD you must have a high school diploma or GED. The Texas Education Agency (TEA) requires us to conduct a criminal background check and fingerprinting verification prior to anyone being hired. All substitutes are required to attend our substitute orientation prior to working in the district. The following documentation is required for employment:

- Completed substitute application
- Copies of high school diploma/GED or college transcripts
- Copy of Driver's License and Social Security Card (for payroll purposes)
- Complete fingerprinting requirement
- Completed Tax Documents (W-4)
- Completed Employment Eligibility Verification (I-9)
- All new hire paperwork completed

You are expected to be on duty the entire time as determined by the assignment and perform duties of the regular teacher or aide unless directed otherwise. You may be subject to reassignment within the campus during the day. The substitute teacher is not a full-time teacher and therefore is not eligible for a conference period and may be reassigned to other duties during this period. A substitute may not leave campus early without the permission of the campus principal.

Employment Status of Substitutes

Substitute employees shall serve at will, are not employed for any specified length of time, and have no property right to their employment. When accepting a job with the district, there is no guaranteed conference period. GISD reserves the right to remove an individual from its substitute list as it deems necessary. Substitutes are governed by the policies of the district. All policies are located online at www.georgtownisd.org and all substitutes should be aware of these policies and how to access them. Substitutes should also be familiar with the GISD employee handbook, which can also be accessed through the district website.

Photo ID Badges

Photo ID badges are issued to every substitute and must be worn at all times when on campus. Failure to wear a badge may exclude you from working at a campus. If the ID badge is lost or stolen, please report to Human Resources to obtain a replacement badge. While on campus, be prepared to identify yourself and provide the name of the classroom you are serving that day.

Rehire Guidelines

A substitute who has not accepted three assignments per semester will be considered inactive and will be removed from the active calling list. If removed due to failure to work three assignments per semester, the substitute will be required to reapply.

COMPENSATION AND BENEFITS

Pay Information

Pay rates for substitutes are established by the Board of Trustees. The current rate of pay is listed below:

- Substitute Teacher Pay: \$115.00/day and \$135.00/day for Long Term assignments of 11 or more consecutive days in the same position / assignment / vacancy.
- Substitute Nurse Pay: \$170.00/day including Long Term Assignments

Pay Dates

Substitutes are paid twice a month on or around the 15th and the 30th (see the calendar located on our website for exact dates.) A direct deposit to your checking or savings account is required for payment. We do not issue paper checks.

TRS Retirees

Individuals receiving retirement benefits from the Teacher Retirement System (TRS) may be employed under certain conditions on a full or part time basis without impacting retirement benefits, according to TRS rules and regulations. GISD is not responsible for determining eligibility of assignments and your annuity payment may be jeopardized if you take assignments you are not allowed to fill. It is up to you to confirm with TRS what you are and are not allowed to work. Detailed information about employment after retirement is available from TRS. The TRS website can be accessed at the following web address:
<https://www.trs.texas.gov/Pages/Homepage.aspx>.

Medical Insurance Availability

GISD is happy to extend medical insurance only to our substitute teachers. Coverage is available for substitutes only and not family members. You will be financially responsible for the total cost of the insurance premium. Payments must be made to the benefits office by the 1st of each month.

Should you resign as a substitute any time during the school year, your insurance coverage will be canceled. If you elect to sign up for medical insurance, coverage will terminate the last day of the month in which you separate from the district.

If you have questions about benefits, contact our benefits department at benefits@georgetownisd.org .

Workers' Compensation Insurance

Policy [CRE](#)

The district, in accordance with state law, provides workers' compensation benefits to employees who suffer a work-related illness or are injured on the job. The district has workers' compensation coverage from [TASB Risk Management](#), effective upon hiring.

Benefits help pay for medical treatment and make up for part of the income lost while recovering. Specific benefits are prescribed by law depending on the circumstances of each case.

All work-related accidents or injuries should be reported immediately to the campus administration or campus nurse. Employees who are unable to work because of a work-related injury will be notified of their rights and responsibilities under the Texas Labor Code.

Unemployment Compensation Insurance

Policy [CRF](#)

Employees who have been laid off or terminated through no fault of their own may be eligible for unemployment compensation benefits. Employees are not eligible to collect unemployment benefits during regularly scheduled breaks in the school year or the summer months if they have employment contracts or reasonable assurance of returning to service. Employees with questions about unemployment benefits should contact Tracey Jennings in Human Resources at (512) 943-5013.

DAILY DUTIES AND RESPONSIBILITIES

A successful day requires a partnership between the substitute teacher, the teacher/aide and the campus. The following outlines some of the duties and responsibilities of each of these parties to help everyone work together more effectively.

Campus Arrival

- Report to the Campus Administrative Assistant's office at least fifteen minutes before the assignment begins.
- Park in the faculty parking lot.
- Please ask about any extra duties you are required to help with, along with expected release time for the campus.
- Become familiar with the process for taking attendance, the lunch schedule, and the emergency fire and disaster drill procedures.
- Review lesson plans prepared by the teacher and locate any materials or items needed for carrying out the assignment. Make a note of any changes that had to be made.
- Maintain a professional attitude toward your work. You are expected to observe the same standards of conduct (see the GISD Employee Handbook online) as teachers, aides and staff members.

During the Day

- As a way of creating a positive learning environment, introduce yourself to each new group of students with whom you have contact throughout the day.

- Do not leave students alone in the classroom for any reason. Do not restrain students in any way. If you need assistance, follow the campus procedures for contacting campus administration.
- Send any student to the nurse's office in the case of illness or minor accidents. For a serious incident, use a classroom telephone to call for help or send a student for the school nurse or administrator.
- If you have an emergency and need to leave the campus prior to the assignment being completed, please contact the office immediately. You are responsible for students at all times and shouldn't leave until a replacement has arrived to the classroom.

Closing the Day

- Follow directions for class dismissal of bus riders or car pick up according to campus procedures.
- Leave any student papers, lesson plans or items provided by the teacher in the designated place stated or turn it in when you check out for the day.
- Leave a quick note for the teacher regarding the day, problem areas, good reports, and a list of absent students.
- Leave the room clean and in order. Turn lights/fans off and lock the door.

STUDENT DISCIPLINE

- All students should be treated in a respectful manner. Discussions concerning a student's behavior should be handled in a private manner and should never include a student's home life, private life, or information unrelated to the issue.
- YOU MUST NEVER ADMINISTER CORPORAL PUNISHMENT TO ANY CHILD. You should never physically handle or restrain a student. If the situation reaches this level of intensity, you should call for assistance right away.

SUBSTITUTE AUTOMATED SYSTEM

The district uses an automatized Substitute/Employee Management System called AESOP to assign substitutes for absent employees. AESOP System enables the district to offer broader opportunities for substitutes if they wish, while still allowing each campus to choose the substitutes they have worked with in the past. This system will allow you to specify locations where you prefer to work; indicate your availability by day of the week; list the classification groups for which you are qualified to substitute and other groups for which you would like to substitute; let you call in to check for open jobs; and allow you to make yourself temporarily unavailable.

Each substitute will receive a Personal Identification Number that will be requested each time of interaction with the system.

How the System Works:

- An absence is reported and receives a job number.
- AESOP searches the listings and finds the appropriate substitute for this job.
- During the morning or evening call-out periods, the system places a call to the substitute.
- The substitute enters his/her personal information on the keypad of a touch tone phone and the system narrator recites the job information.

- The substitute accepts or declines the job (If accepted the substitute is given the job number to use when reporting to the location).

DISTRICT POLICIES

The following are district policies that all employees are expected to follow. They can also be found in the GISD Employee Handbook and online under board policy.

- Maintain confidentiality in all matters relating to students and coworkers.
- Report to work according to the assigned schedule.

- Express concerns, complaints, or criticism through appropriate channels.
- Observe all safety rules and regulations and report injuries or unsafe conditions to a supervisor immediately.

Violation of policies, regulations, or guidelines, including intentionally making a false claim, offering false statements, or refusing to cooperate with a district investigation may result in disciplinary action, including termination. Alleged incidents of certain misconduct by educators, including having a criminal record, must be reported to SBEC no later than the seventh day after the superintendent knew of the incident. Discrimination, Harassment, and Retaliation

Policies [DH](#), [DIA](#)

Employees shall not engage in prohibited harassment, including sexual harassment, of other employees, unpaid interns, student teachers, or students. While acting in the course of their employment, employees shall not engage in prohibited harassment of other persons including board members, vendors, contractors, volunteers, or parents. A substantiated charge of harassment will result in disciplinary action.

Individuals who believe they have been discriminated or retaliated against or harassed are encouraged to promptly report such incidents to the campus principal, supervisor, or appropriate district official. If the campus principal, supervisor, or district official is the subject of a complaint, the complaint should be made directly to the superintendent. A complaint against the superintendent may be made directly to the board.

Any district employee who believes that he or she has experienced prohibited conduct based on sex, including sexual harassment, or believes that another employee has experienced such prohibited conduct, should immediately report the alleged acts. The employee may report the alleged acts to his or her supervisor, the campus principal, the Title IX coordinator, or the superintendent. The district's Title IX coordinator's name and contact information is listed in the Equal Employment Opportunity section of this handbook.

District policy [DIA \(LOCAL\)](#) includes definitions and procedures for reporting and investigating discrimination, harassment, and retaliation.

Harassment of Students

Policies [DH](#), [DHB](#), [FFG](#), [FFH](#), [FFI](#)

Sexual and other harassment of students by employees are forms of discrimination and are prohibited by law. Romantic or inappropriate social relationships between students and district employees are prohibited.

Employees who suspect a student may have experienced prohibited harassment are obligated to report their concerns to the campus principal or other appropriate district official. Any district employee who suspects or receives direct or indirect notice that a student or group of students has or may have experienced prohibited conduct based on sex, including sexual harassment, of a student shall immediately notify the district's Title IX coordinator, the ADA/Section 504 coordinator, or superintendent and take any other steps required by district policy.

All allegations of prohibited harassment of a student by an employee or adult will be reported to the student's parents and promptly investigated. An employee who knows of or suspects child abuse must also report his or her knowledge or suspicion to the appropriate authorities, as required by law. See *Reporting Suspected Child Abuse* and *Bullying* below for additional information.

District policies [DHB \(LEGAL\)](#), [FFH \(LOCAL\)](#), [FFH \(LEGAL\)](#) include definitions and procedures for reporting and investigating harassment of students.

Reporting Suspected Child Abuse

Policies [DG](#), [FFG](#), [GRA](#)

All employees with reasonable cause to believe that a child's physical or mental health or welfare has been adversely affected by abuse or neglect, as defined by Texas Family Code §261.001, are required by state law to make a report to a law enforcement agency, Child Protective Services (CPS), or appropriate state agency (e.g., state agency operating, licensing, certifying, or registering the facility) within 48 hours of the event that led to the suspicion. Alleged abuse or neglect involving a person responsible for the care, custody, or welfare of the child (including a teacher) must be reported to CPS.

Employees are also required to make a report if they have reasonable cause to believe that an adult was a victim of abuse or neglect as a child and they determine in good faith that the disclosure of the information is necessary to protect the health and safety of another child, elderly person, or person with a disability.

Reports to Child Protective Services can be made online at <https://www.txabusehotline.org/Login/Default.aspx> , or through the Georgetown Police Department, the Williamson County Sheriff's Department, or the Texas Abuse Hotline (800-252-5400). State law specifies that an employee may not delegate to or rely on another person or administrator to make the report.

Under state law, any person reporting or assisting in the investigation of reported child abuse or neglect is immune from liability unless the report is made in bad faith or with malicious intent. In addition, the district is prohibited from taking an adverse employment action against a certified or licensed professional who, in good faith, reports child abuse or neglect or who participates in an investigation regarding an allegation of child abuse or neglect.

Personal Use of Electronic Communications

Policies [CQ](#), [DH](#)

Electronic communications includes all forms of social media, such as text messaging, instant messaging, electronic mail (email), Web logs (blogs), wikis, electronic forums (chat rooms), video-sharing websites (e.g., YouTube), editorial comments posted on the Internet, and social network sites (e.g., Facebook, Twitter, LinkedIn, Instagram). Electronic communications also includes all forms of telecommunication such as landlines, cell phones, and Web-based applications.

As role models for the district's students, employees are responsible for their public conduct even when they are not acting as district employees. Employees will be held to the same professional standards in their public use of electronic communication as they are for any other public conduct. If an employee's use of electronic media interferes with the employee's ability to effectively perform his or her job duties, the employee is subject to disciplinary action, up to and including termination of employment. If an employee wishes to use a social network site or similar media for personal purposes, the employee is responsible for the content on the employee's page, including content added by the employee, the employee's friends, or members of the public who can access the employee's page, and for Web links on the employee's page. The employee is also responsible for maintaining privacy settings appropriate to the content.

An employee who uses electronic communications for personal purposes shall observe the following:

- The employee may not set up or update the employee's personal social network page(s) using the district's computers, network, or equipment.
- The employee shall limit use of personal electronic communication devices to send or receive calls, text messages, pictures, and videos to breaks, meal times, and before and after scheduled work hours, unless there is an emergency or the use is authorized by a supervisor to conduct district business.

- The employee shall not use the district’s logo or other copyrighted material of the district without express, written consent.
- An employee may not share or post, in any format, information, videos, or pictures obtained while on duty or on district business unless the employee first obtains written approval from the employee’s immediate supervisor. Employees should be cognizant that they have access to information and images that, if transmitted to the public, could violate privacy concerns.
- The employee continues to be subject to applicable state and federal laws, local policies, administrative regulations, and the Texas Educators’ Code of Ethics, even when communicating regarding personal and private matters, regardless of whether the employee is using private or public equipment, on or off campus. These restrictions include:
 - Confidentiality of student records [See [Policy FL](#)];
 - Confidentiality of health or personnel information concerning colleagues, unless disclosure serves lawful professional purposes or is required by law [See [DH \(EXHIBIT\)](#)] ;
 - Confidentiality of district records, including educator evaluations and private email addresses [See [Policy GBA](#)];
 - Copyright law [See [Policy CY](#)];
 - and ○ Prohibition against harming others by knowingly making false statements about a colleague or the school system [See [DH \(EXHIBIT\)](#)].

See *Electronic Communications between Employees, Students , and Parents* below for regulations on employee communication with students through electronic media.

Electronic Communications between Employees, Students, and Parents

Policy [DH](#)

A certified or licensed employee, or any other employee designated in writing by the superintendent or a campus principal, may use electronic communications with students who are currently enrolled in the district. The employee must comply with the provisions outlined below. Electronic communications between all other employees and students who are enrolled in the district are prohibited. Employees are not required to provide students with their personal phone number or email address.

An employee is not subject to the provisions regarding electronic communications with a student to the extent the employee has a social or family relationship with a student. For example, an employee may have a relationship with a niece or nephew, a student who is the child of an adult friend, a student who is a friend of the employee’s child, or a member or participant in the same civic, social, recreational, or religious organization. An employee who claims an exception based on a social relationship shall provide written consent from the student’s parent. The written consent shall include an acknowledgement by the parent that:

- The employee has provided the parent with a copy of this protocol;
- The employee and the student have a social relationship outside of school;
- The parent understands that the employee’s communications with the student are excepted from district regulation; and
- The parent is solely responsible for monitoring electronic communications between the employee and the student.

The following definitions apply for the use of electronic communications with students:

- *Electronic communications* means any communication facilitated by the use of any electronic device, including a telephone, cellular telephone, computer, computer network, personal data assistant, or pager. The term includes email, text messages, instant messages, and any communication made through an Internet website, including a social media website or a social networking website.
- *Communicate* means to convey information and includes a one-way communication as well as a dialogue between two or more people. A public communication by an employee that is not targeted at students (e.g., a posting on the employee's personal social network page or a blog) is not a *communication* : however, the employee may be subject to district regulations on personal electronic communications. See *Personal Use of Electronic Media* , above. Unsolicited contact from a student through electronic means is not a *communication* .
- *Certified or licensed employee* means a person employed in a position requiring SBEC certification or a professional license, and whose job duties may require the employee to communicate electronically with students. The term includes classroom teachers, counselors, principals, librarians, paraprofessionals, nurses, educational diagnosticians, licensed therapists, and athletic trainers.

An employee who communicates electronically with students shall observe the following:

- The employee is prohibited from knowingly communicating with students using any form of electronic communications, including mobile and web applications, which are not provided or approved by the district, as well as accessible by the district, unless a specific exception is noted below.
- Only a teacher, trainer, or other employee who has an extracurricular duty may use text messaging, and then only to communicate with students who participate in the extracurricular activity over which the employee has responsibility. An employee who communicates with a student using text messaging shall comply with the following protocol:
 - The employee shall include his or her immediate supervisor as a recipient on each text message to the student so that the student and supervisor receive the same message.
- The employee shall limit communications to matters within the scope of the employee's professional responsibilities (e.g., for classroom teachers, matters relating to class work, homework, and tests; for an employee with an extracurricular duty, matters relating to the extracurricular activity).
