Principal's Report:

Mr. Buterbaugh

Notes: Apologies for not attending previous meeting due to family obligation. Thank you to Ms. Verna. Very excited to see that our PTL is interested in looking into a Viking costume. Viking Advisory – better way to connect students and staff in the building. Students/Staff to connect who may not normally connect. Build relationships – once a month for 30 minutes. Soft launch. Looking forward to October events – haunted hallway and haunted hayride. Nice to see our PTL supporting our students with other events outside our school. Thank you to the PTL for handling the spirit wear. Mrs. Kikut and her students will help sort and deliver. November conferences are coming up. Student lead conferences. Monday is the late night for Northley. Starting the school year with a full staff this school year and off to a great start. Friday Phillies day for post season for school spirit. Homecoming in 2 weeks and blue and gold day – students. More information will come out in regards to students who may want to walk with Northley for homecoming

Notes: Paperwork to go out this week – if not already out. No venmo this year – only cash payments that will be accepted at lunches. Your student will be marked as paid on a list on the night of the event. Sales at lunch seem to work better. Meeting after PTL meeting

Hallway Meeting – some papers came home (confirmed with some from the meeting)

Teresa Mai provided information on how the hallway will go. Some 8th grade honor society / HS students can help. 10 themes – large area at the end for a grand finale. Big boxes needed for wrapping to separate the scenes. Boxes can be dropped off in school. Candy to take on the way out for students. ***Remember to mark where the outlets are*** Bring items cords, tape, scissors. Could use some men as chaperones and help during the set up and the event to monitor. Movie or Game? Less decorating in the cafeteria – area for food, area for photos. Set up can't happen until students leave school. Tarps hung up then scenes can be set up.
