

Transitional Living Program (TLP)

Our Goal:
Help youth who are not in safe, stable living situations such as living in overcrowded housing, sleeping outside, staying in a shelter, or "couch surfing".

**For assistance,
please call
337.433.8636**

How we achieve our goal:

- Offer housing throughout the Lake Charles area
- Serve male & female homeless youth ages 18-22 who are willing to cooperate with program requirements.
- Youth must become employed and save money for the future. Transportation assistance provided.
- Primary goals are safety, stable housing, linkage with resources, and skills training.
- Acceptance based on eligibility and space availability

**Application can be
printed off our website**
