

# JONAGOLD APPLE

## DID YOU KNOW?

- The Jonagold Apple is a cross between a Golden Delicious and a Jonathan apple!
- The skin has a yellow-green base with red spots and stripes.
- Their flavor is a mix of sweet and tart but is very juicy.
- The Jonagold Apple has vitamin A, C, fiber, and potassium.

## FUN FACT!

Jonagold Apples  
are from New York!
