The Wausau School District does not discriminate on the basis of race, age, color, religion, national origin, ancestry, creed, pregnancy, marital status, parental status, sexual orientation, sex (including transgender status, change of sex or gender identity), or physical, mental, emotional, or learning disability ("Protected Classes").

G2M
GROWING GREAT MINDS
Out-of-School Learning Programs

What is G2M?

G2M stands for Growing Great Minds, Wausau School District's Out of School Learning Program, which provides academic & enrichment opportunities during non-school hours for children. This program operates out of 13 school sites within WSD -- 11 elementary schools and 2 middle schools.

Snapshot of G2M Programming

G2M provides a range of high-quality engagement opportunities to support student learning and development, such as homework help, STEM programs, volunteer opportunities, as well as music, arts, sports, and cultural activities. At the same time, each site's G2M program ensures students achieve all of these opportunities in a safe environment after school.

Participant Information

WSD's G2M programming is not limited to students only at the available school sites. It is open to all students in our district's attendance areas (home school, charter school, private school).

Community Partnerships

A major component of G2M is programming provided by community partners and agencies within our local community.

These partners include

- Monk Botanical Gardens,
- Boys and Girls Club,
- 4-H and UW Extension,
- Marathon County Parks and Recreation,
- Snapshot Science,
- Kiddin' Around Yoga,
- Boys & Girls Scouts,
- Woodson Art Museum,
- North Technical College, and many more!

G2M Membership

The cost of membership for G2M programming is a one-time, annual payment.

\$10 per year, per student

\$25 per year, per family
(3+ children attending G2M)

This membership is not meant to be a barrier to participation. Families are asked to pay as they are able.

*Please note that this membership is separate from any other district athletic, event, or program fees.

How to Pay

Parents can pay G2M Membership:

- Cash Payment
- Check (made payable to Wausau School District)
- Infinite Campus Parent Portal
