## 1. INTRODUCTION

- a. The Early Childhood Education and Assistance Program (ECEAP) is Washington's pre-kindergarten program that prepares 3- through 5-year-old children furthest from opportunity for success in school and in life. Since 1985, ECEAP has focused on the well-being of the whole child by providing comprehensive nutrition, health, education, and family support services. ECEAP reaches the children most in need of these foundations for learning.
- b. The Department of Children, Youth, and Families (DCYF) operates ECEAP Services, which may include any combination of ECEAP, ECLIPSE, and Complex Needs Funding, through Contractors who design programs to fit their community needs, in compliance with all Contract exhibits and attachments. In the event of an inconsistency in the requirements of current, applicable B-5 ECEAP Performance Standards and any applicable statute or rule, the inconsistency shall be resolved by giving precedence to the applicable section(s) of Chapter 43.216 RCW or Chapter 110-425 WAC.
- c. Tribal Sovereign Nations may develop and operate ECEAP services in a manner that is culturally relevant and appropriate, and that is specifically suited to members of the Tribal Sovereign Nation, or other tribes, in accordance with corresponding tribal laws and policy, while performing work pursuant to this Contract.
- d. Puget Sound Educational Service District (PSESD) is an ECEAP Contractor. PSESD subcontracts with Centers to provide ECEAP services.
- e. ECEAP subcontracts are renewable for Centers in good standing, based on available funding.
- f. Starting in 2019-20, DCYF instituted quality and outcome performance measures in contracts that provide services to children and families as required by House Bill 1661. The purpose is to help achieve DCYF's long-term child outcome goals, with a focus on building partnerships, advancing racial equity, and using data to learn and improve. Performance measures are outlined in Section 3-o. for of this Statement of Work.

**8. DATA ENTRY REQUIREMENTS AND EARLY LEARNING MANAGEMENT SYSTEM (ELMS)**

DCYF provides extracts of certain data from GOLD® by Teaching Strategies and ELMS to the P20W data warehouse managed by the Washington State Education Research and Data Center for the purpose of longitudinal analysis. This data includes Fall and Spring Teaching Strategies GOLD® Online check points, child names and birthdates, duration of ECEAP services, and demographic information including percent of State Median Income. It does not include family risk factors, parent-teacher conference notes or family support notes. This data is matched with K-12 and workforce data and de-identified so researchers will not be able to identify individual children.

- a. The Center must enter and maintain accurate data in ELMS and MERIT. This applies to Working Day slots through the summer. The Contractor ensures all data is entered in ELMS and MERIT according to Exhibit C: Deliverables Calendar; Exhibit E, B-5 ECEAP Performance Standards; and the ELMS ECEAP Data Entry-Minimum Requirements document which is linked from the DCYF webpage.
- b. The Center must complete and enter all Teaching Strategies GOLD® checkpoints as outlined in Exhibit C, Deliverables Calendar.
- c. When transferring ELMS records from another ECEAP Contractor, the Center must obtain written permission from parents before requesting that PSESD contact DCYF to transfer ELMS records. A copy of the documentation must be kept, and the permission must be documented in ELMS.
- d. The Center must complete and enter all Mobility Mentoring assessments and check-ins as outlined in Exhibit C, Deliverables Calendar.

**9. ECEAP ELIGIBILITY AND ENROLLMENT**

The Center must:

- a. Immediately inform PSESD of any suspicion that an employee improperly recorded a family's eligibility criteria, or a family provided false information in order to enroll in ECEAP. Fraudulent eligibility practices may lead to suspension or termination of this contract, requiring the Center to terminate the involved employee(s), or referring cases for criminal prosecution.
- b. Make every effort to maintain full enrollment in line with PSESD's applicable policies and procedures. PSESD reserves the right to reclaim slots and funds or reallocate slots to other Centers if the Center cannot maintain full enrollment.

- c. Ensure that prior to enrolling children, staff who verify ECEAP eligibility criteria complete PSESD assigned in-person and/or online Eligibility, Enrollment, and Selection trainings, and DCYF online Recruitment, Eligibility, and Enrollment training.

#### **10. OBTAINING CONTRACT INFORMATION TO RECRUIT FAMILIES**

DCYF will provide contact information for families receiving services from the Department of Social and Health Services (DSHS) who have children who are potentially eligible for the services of this contract. The contact information consists of names and addresses and is to be used solely for recruitment and enrollment purposes for this program. Centers who choose to receive this contact information must:

- a. Protect the information and all documents generated from this information from unauthorized physical or electronic access.
- b. Not transfer this contact information via email.
- c. Submit a Confidential Notice of Non-Disclosure Form to PSESD for each staff who may access this contact information prior to receiving DSHS information.
- d. Limit access to the contact information to persons who have signed the Notice of Non-Disclosure Form.
- e. Not use the contact information for any other purpose than recruitment of families for participation in the services provided under this contract.
- f. Destroy this contact information at the end of the annual recruitment period.

#### **11. PORTABLE BACKGROUND CHECKS**

- a. ECEAP staff are required to complete the DCYF Portable Background Check process. Staff will receive a conditional status until fingerprinting is completed.
- b. Centers must ensure that DCYF Portable Background Checks (PBCs) are completed for all persons who have or may have unsupervised access to children during ECEAP programming, including transportation and other services during ECEAP hours. Centers must disqualify persons from unsupervised access to children in accordance with [WAC 170-06-0070](#).
- c. Non-classroom staff working with children in a school district or ESD setting are allowed to use the Office of Superintendent of Public Instruction (OSPI) background clearance for the 2024-2025 school year for persons who may have unsupervised access to ECEAP children. These staff must have an active OSPI background clearance prior to working with children.

#### **12. COMPENSATION**

#### **13. LICENSING REQUIREMENTS FOR DCYF ECEAP PART DAY, SCHOOL DAY, AND WORKING DAY MODELS**

Failure to report in a timely manner and/or follow up to satisfactorily resolve the incident may result in corrective action, suspension of services, or contract termination.
- b. Children’s health, safety and well-being must always be the primary concern of the Center in the delivery of services under this Contract. The Center must report child abuse and neglect in accordance with [RCW 26.44.030](#). If the Center, or any of the Center’s employees, has reasonable cause to believe that a child has suffered abuse or neglect from any person, the Center or employee must immediately report such incident to CPS Intake at 1-866-ENDHARM. This requirement includes suspected abuse or neglect that occurs when a child is in the care of the Center as well as outside of the Center’s care. If a report is made, see Notification to PSESD section of this Exhibit.
- c. The Center must ensure that managers, board members, employees, and volunteers of the ECEAP program who will or may have contact with ECEAP complete training on child abuse and neglect, including reporting procedures, annually before working with children or families. At the conclusion of the investigation, PSESD has the right to impose a corrective action plan, suspension or dismissal of involved staff, and contractual relationship with the Center as outlined in the Supplemental Terms and Conditions Exhibit.

## 17. POLICIES

1. **Access to Data.** The Center shall provide access to data generated under this Contract to the PSESD and the State Auditor at no additional cost. This includes but is not limited to access to all information that supports the findings, conclusions, and recommendations of the Center's reports, including computer models and methodology for those models.
2. **Alterations and Amendments.** This agreement may be amended only by mutual agreement of all parties. Such amendments shall not be binding unless they are in writing and signed by personnel authorized to bind each of the parties.
3. **Americans with Disabilities Act (ADA) of 1990, Public Law 101-336, also referred to as the "ADA" 28 CFR Part 35.** The Center must comply with the ADA, which provides comprehensive civil rights protection to individuals with disabilities in the areas of employment, public accommodations, state and local government services, and telecommunications.
4. **Assignment.** Neither the PSESD nor the Center shall assign this Contract, either in whole or in part, without the prior written consent of the other party, which shall not be unreasonably withheld. Any assignment permitted under this clause does not relieve either party from its duties or obligations under this Contract.
5. **Audit Requirements.** If the Center is a subrecipient of federal awards as defined by the Office of Management and Budget (OMB) 2 Code of Federal Regulations C.F.R. §200, the Center shall maintain records that identify all federal funds received and expended. Such funds shall be identified by the appropriate OMB Catalog of Federal Domestic Assistance (CFDA) Numbers. The Center shall make their records available for review or audit by officials of federal agencies, the General Accounting Office, the Washington State Auditor's Office and the PSESD or designee. If the Center expends \$750,000 or more in federal awards from any other and or/all sources in any fiscal year ending after December 26, 2014, the Center shall procure at their expense a single or program-specific audit for that year. Upon completion of each audit, the Center shall submit to PSESD's Contract Manager the data collection form and reporting package specified in OMB 2 C.F.R. §200, and any reports required by the program-specific audit guide (if applicable).

6. **Background Checks.** In accordance with Washington State laws, any Centers who will have contact with or near children are required to pass a fingerprint-based background check through both the Washington State Patrol and the Federal Bureau of Investigation before they begin work. Additionally, see #11 a-c Portable Background Checks in Exhibit A, Statement of Work.
7. **Budget Revisions.** Any monetary amount of an interlocal agreement budgeted by the terms of this Contract for various activities and line-item objects of expenditure may be revised without prior written approval of PSESD, so long as the revision is no more than ten percent (10%) of the original line-item amount and the increase in an amount is offset by a decrease in one or more other amounts equal to or greater than the increase. All other budget revisions exceeding ten percent (10%) shall only be made with the prior written approval of the PSESD.

- 26. Subcontracting.** Neither the Center nor any subcontractor shall enter into subcontracts for any of the work contemplated under this Contract without obtaining prior written approval of the PSESD. If this Contract is so terminated, the PSESD shall be liable only for payment required under the terms of the Contract for services rendered or goods delivered prior to the effective date of termination.

**27.2. Termination for Default.** The PSESD Superintendent or Designee may terminate this Contract for default, in whole or in part, by written notice to the Center if the PSESD has a reasonable basis to believe that the Center has:

Failure to agree with such determination shall be a dispute within the meaning of the "Disputes" clause for this Contract. The PSESD may withhold from any amounts due to the Center such sum as the PSESD determines to be necessary to protect the PSESD against potential loss or liability.

The rights and remedies of the PSESD provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law under this contract.

After receipt of a notice of termination, and except as otherwise directed by the PSESD, the Center shall:

- 27.4.1. Stop work under this Contract on the date and to the extent specified, in the notice;

- 27.4.4. Settle all outstanding liabilities and all claims arising out of such termination of orders and subcontracts, with the approval or ratification of the PSESD to the extent the PSESD may require, which approval or ratification shall be final for all the purposes of this clause;

- 27.4.5. Transfer title to the PSESD and deliver, in the manner, at the times and to the extent as directed by the PSESD, any property which, if the contract had been completed, would have been required to be furnished to the PSESD;
- 27.4.6. Complete performance of such part of the work not terminated by the PSESD; and
- 27.4.7. Take such action as may be necessary, or as the PSESD may direct, for the protection and preservation of the property related to this agreement which, in is in the possession of the Center and in which the PSESD has or may acquire an interest.

**29. Treatment of Assets.** Except as otherwise provided for in the Contract, the ownership and title to all real property and all personal property purchased by the Center in the course of performing this Contract with moneys paid by the PSESD shall vest in the PSESD, except for supplies consumed in performing this Contract. The Center shall (1) maintain a current inventory of all the real and personal property; (2) label all the property "PSESD"; and, (3) surrender property and title to the PSESD without charge prior to settlement upon completion, termination, or cancellation of this agreement.

Any property of the PSESD furnished to the Center shall, unless otherwise provided herein, or approved by the PSESD, be used only for the performance of the Contract.

The Center shall be responsible for any loss or damage to property of the PSESD that results from the negligence of the Center which results from the failure on the part of the Center to maintain and administer that property in accordance with sound management practices.

If any property is lost, destroyed, or damaged, the Center shall notify the PSESD and take all reasonable steps to protect the property from further damage.

All reference to the Center under this clause shall include Center's employees, agents, and subcontractors.

**29. WAIVER**

A failure by either party to exercise its rights under this Contract shall not preclude that party from subsequent exercise of such rights and shall not constitute a waiver of any other rights under this Agreement. Waiver of any default or breach shall not be deemed to be a waiver of any subsequent default or breach. Any waiver shall not be construed to be a modification of the terms of this Contract unless stated to be such in writing signed by personnel authorized to bind each of the parties.
