Dear Parent/Guardian:

The district's School Health Services program supports your student's academic success by promoting health in the school setting. One way that we provide care for your student is by performing the health screenings as mandated by the State of New York.

During this school year, the following screenings will be required and completed at school: (If your child has a history in any of these areas, screenings may be completed annually in that area.)

**Vision**

---

- Distance acuity for all newly entering students and students in Kindergarten, Grades 1, 3, 5, 7 and 11.
- Near vision acuity and color perception screening for all newly entering students.

**Hearing**

---

- Hearing screening for all newly entering students and students in Kindergarten, Grades 1, 3, 5, 7 and 11.

**Scoliosis**

---

- Scoliosis (spinal curvature) screening for girl students in Grades 5, 7., and boys grade 9

**Health Appraisals**

---

- A physical examination including Body Mass Index and Weight Status Category Information is required for all newly entering students and students in Pre-Kindergarten **or** Kindergarten, Grades 1, 3, 5, 7, 9, and 11.

**Dental Certificates**

---

- A dental certificate is requested for all newly entering students and students in Kindergarten, Grades 1, 3, 5, 7,9, and 11.

A letter will be sent home if there are any findings on the screening done at school that would cause concern or need medical follow-up. Please call the school's Health Office if you have any questions or concerns.
