Department Purpose

What does the department do?

This department provides support and coordinating services to schools and district departments to ensure compliance with Federal and State funding requirements and guidance. To that end, much of the support and coordinating services are provided in the form of planning supports, documentation of plan development, monitoring alignment between planning documents and implementation of actions, and building the capacity of stakeholder groups. These stakeholder groups include local school site councils, school leadership teams, and parent advisory groups.

Department Services

What is a general list of services that your department provides?

- a) monitoring the allowability of expenditures related to Title I, Title II, Title IV, and CSI grant activities
- b) training and guidance with respect to the role of local school site councils' purpose in developing, monitoring, and evaluating school plans for student achievement
- c) coordinate equitable services for eligible private schools under the Title I, Title II, Title III, and Title IV programs
- d) coordinate the development and updating of the district's Local Control and Accountability Plan (LCAP)
- e) coordinate the reporting and submission of School Accountability Report Cards (SARCs)
- f) capacity building for plan monitoring and reporting

Prior Year Reflection

This section of the department plan reviews the intent of prior department plans and the successes/challenges encountered while implementing the planned actions. This portion of the plan summarizes key learnings that inform the planning for the current year.

Prior Year Intended Outcomes

What did your department plan set out to achieve during the prior year?

- Improved capacity of SSC to strengthen site-level planning, monitoring, and evaluation
- Ongoing communication of LCAP progress and goals with educational partners
- Aligning continuous improvement cycles of campuses and departments

Prior Year Achievement

Did the department achieve what it had outlined? How do you know?

We had __ members of various SSC attend trainings, and evaluation and monitoring tool was provided to campuses to evaluate SPSA strategies and actions. LCAP updates were provided to the LCAP PAC on monthly basis and BOE had updates in February, April, May, and June. Efforts were made to sync department and school plans in the 23-24 SY.

Prior Year Successes, Challenges, and Learnings

What successes, challenges, and learnings should be highlighted from the prior year?

We successfully had __% of department plans completed and __% of SPSA plans with all funds allocated for the 2024-2025 school year. We are still challenged with alignment of school and department plans. Additionally, greater planning needs to occur with educational partner updates and feedback in the development of the LCAP, namely parents and students. There also is a desire to improve monitoring and evaluation of SPSA, department plans, and the LCAP.

Current Year Priorities

This section of the department plan provides a summary of the identified needs that are prioritized for informing the department plan's actions for the current year.

Data and Information Used for Plan Development

What data did you consider when developing this plan?

SSC composition and participation in trainings; completion of SPSA and department plans by given deadline; meeting agendas and notes from LCAP PAC, LCAP Task Force, and other ed partner meetings; feedback from Superintendent, Deputy Superintendent, and BOE.

Stakeholder Engagement/Input

What stakeholder engagement or information was used to inform this plan?

We utilized feedback from the LCAP survey, DELAC and LCAP PAC recommendations, BOE, and department/site leaders.

Key Data Findings/Information for This Plan

Based on data analysis and stakeholder information, what key data findings are considered in the development of this plan?

We are considering increasing opportunities for engagement and input from educational partner groups on a frequent, predictable basis. We are also going to align deadlines for school sites and departments evaluation and progress of respective actions. Implement a cycle of continuous improvement for DLN and work with sites in SPSAs.

Current Plan Priorities

Based on the key data findings, what needs emerged from your Department's root cause analysis, and which of these needs are given priority for this planning cycle?

- 1) Increased opportunities to inform, build knowledge, and provide tools for School Site Council members to utilize in monitoring, evaluating, and developing school plans.
- 2) Provide quarterly updates on LCAP progress and consultations with educational partner groups in modifying, monitoring, and making recommendations toward actions to improve student achievement.
