Districts and schools receive an overall rating of 1 to 5 stars in half-star increments. The overall rating is comprised of five rated components. The College, Career, Workforce and Military Readiness Component is report only and does not contribute to the overall rating on the 2024 Ohio School Report Cards.

Achievement

This component represents whether student performance on state tests met established thresholds and how well students performed on tests overall.

Exceeds state standards in academic achievement

Performance Index **89.3%**

Graduation

The Graduation Component is a measure of the four-year adjusted cohort graduation rate and the five-year adjusted cohort graduation rate.

Graduation Rates

This school is not evaluated for graduation rate because there are not enough students in the graduating class.

Progress

This component looks closely at the growth all students are making based on their past performances.

Significant evidence that the school exceeded student growth expectations by a larger magnitude.

The Early Literacy Component is a measure of reading improvement and proficiency for students in kindergarten through third grade.

Exceeds state standards in early literacy (K-3)

College, Career, Workforce and Military Readiness

This component looks at how well-prepared Ohio's students are for future opportunities, whether training in a technical field or preparing for work or college.

Students who are Ready **NC**

School Report Card

I am incredibly proud of our staff for earning another five-star rating on our school report card. Their dedication and commitment to our students consistently go above and beyond. Being one of only two five-star schools in the district makes this achievement even more special!

Recess Rangers

The Parent Advisory Council is organizing an effort to give our hardworking teachers the gift of time by assisting with lunch and recess duties. Every day, our staff covers these duties, and we're reaching out for parent volunteers to help out on October 28, 29, and 30. Volunteers will be trained and paired with a certified staff member to help supervise both lunch and recess. We are looking for three volunteers per day to help from 10:50 AM to 1:15 PM.

A sign-up form will be sent home with students on Monday, so please keep an eye out and consider signing up for a shift to support our teachers. Your time and effort will make a big difference!
