

Nevada Department of Education Quarterly Class Size Reduction Certification

Pursuant to Nevada Revised Statute (NRS) 386.700-725, districts must submit information related to class size ratios on a quarterly basis, and for each school and grade that exceeds the target ratio, must request a variance to include reasonable justification for the exceeded target ratio. Every quarter, regardless of the need to request a variance, each district must submit and certify the requested data pursuant to this report.
