SCHOOL DISTRICT 80  
PARENT UNIVERSITY

# SPED NIGHT

## *Speech/Language Impairment*

Help! My child's speech sounds different.  
What should I do?

The Norridge School District 80 Special Education Department is hosting the next Parent University to provide you with information to help you learn more about speech and what to do if you suspect a delay in your child's abilities. From the development of speech throughout the school years, to how you can help at home, this presentation will provide you with the information you need to help support your child make progress in their ability to communicate.

All are welcome!
