The Lind-Ritzville Cooperative School District offers classes in many career and technical education program areas under its open admissions policy. For more information about CTE course offerings and admissions criteria, contact Kevin Terris, LRCS Career and Technical Education Director. Lack of English language proficiency will not be a barrier to admission and participation in career and technical education programs. The following people have been designated to handle inquiries regarding the nondiscrimination policies:

Kevin Terris, CTE Director
209 E. Wellsandt Road, Ritzville WA 99169
509-659-1720

Prior to the beginning of each school year, school districts must advise students, parents, employees and the general public that all vocational opportunities will be offered. The announcement of this nondiscrimination notification shall be made through local newspapers, district newsletters, and/or other media that reaches the general public. It also needs to be placed on the district's homepage website and respective high school's homepage websites.
