**Registration Checklist**

- This is where documents will be read and agreed to, legally binding E-Signatures will be completed, physicals will be uploaded, and fees can be paid. Once this section is complete, the registration is complete. Any requirements here that require the parent to upload a document will also require that the school's athletic administration approve the document, so please do not be alarmed if the status is Pending School Approval. Your registration is complete once all items on the checklist have been completed.
- Additional Athletes: If you have additional student-athletes to register, you can start a new registration and add them as an athlete. **You do not need to create another login for additional athletes.** Once you add them, they will be available to select next time.
