KITTY HAWK AIR SOCIETY

TUTOR LIST

W. J. O'NEILL

WHAT IS KHAS?

- KHAS is a club of cadets in the unit who are motivated and dedicated to tutor fellow cadets for academic achievement and success!
- KHAS Preamble:

“We, the members of the Kitty Hawk Air Society (KHAS), in order to uphold academic standards and promote further interest in academic achievement, create a closer and more efficient relationship within the Junior Reserve Officers Training Corps (JROTC), serve the high school and community, support airpower in its role in national security, and develop patriotism and good citizenship, do hereby establish this constitution. We acknowledge our affiliation with the Air Force Association and will support their efforts to further aerospace education.”

WHERE DO I GO FOR HELP?!

- KHAS meets in S-15 every Tuesday!
- Meetings will start 10 minutes after lunch begins and it will not be announced; you are in charge of accountability.
- You will there be assigned a tutor.
- Tutoring with a cadet is flexible to you: you can get help before/after/during school; it's all up to what works the best!

WHO WILL TUTOR ME?

- It depends on the subject! We have intelligent cadets who are skilled in aiding in certain subjects!
- Cadets will have to work together with tutors and establish a date to where you are going to start getting help!
- Reminder: KHAS will not tolerate laziness. What this means is that these tutors will not just solve your problems, you will receive aid, not answers.
- KHAS will respect any wishes to change tutors if needed.
