2025 AP TESTING FACT SHEET

Taking the Advanced Placement exams is an important part of all AP courses. Scoring well on an AP exam can often earn students college credit for their high school class, saving a significant amount on college tuition.

REGISTRATION: There are 2 steps to register for an AP Exam. If both steps are not complete, the test will **NOT** be ordered.

1. **Add the AP Classroom of the course.** You will use the Join Code provided by your AP teacher and indicate that you would like to take the exam.
2. **Pay for the Exam through Total Registration** www.TotalRegistration.net/AP/053499. Please be sure to have a credit card or debit card available before beginning registration. **By registering on Total Registration, you are agreeing to pay all fees associated with your AP Exams.**

We know that parents may desire to register their students for exams; however, we strongly recommend that **parents and students are both present while registering to ensure that the correct exams are ordered and payment obligations understood.
