LOVE TO LEARN PRESCHOOL

Dear Families,

Welcome to Love to Learn Preschool, a warm, welcoming, and enriching environment for our youngest owls and the first of its kind in the Temecula Valley Unified School District! This general education, fee-based, preschool program is offered to children who are three years old. Love to Learn is housed in our preschool building at Alamos Elementary School and is staffed with a credentialed teacher and a full-time instructional assistant. The class is limited to 16 little humans. With a focus on the "Whole Child," our preschool team is dedicated to meeting the social, behavioral, emotional, and academic needs of all students while instilling in them a love of learning! Our preschool dream team creates and maintains a multi-sensory educational environment that supports a variety of learning styles. Our diverse and inclusive classroom population is a beautiful reflection of our neighborhood community and is a perfect learning landscape for all students! Please refer to the links below if you have questions or need more information concerning our Love to Learn Preschool Program.

Fondly,
Jenniffer Aynesworth, Principal
