

Dear Alamos Families,

I am honored to introduce myself as the Intervention Administrator at Alamos Elementary. I am excited to join this vibrant community and work alongside the staff and families to foster a positive and enriching learning environment for our students. My passion for education is driven by a commitment to student achievement, leadership and overall well-being.

As I embark on this new journey, I am eager to learn more about our school's culture, values, and the unique strengths of our students and staff. I believe in the importance of collaboration and open communication, and I welcome your insights and feedback as we work together to support our students' success.

Alamos is a special place and I am thoroughly excited to be a part of this community. Together, let's make this year one that is memorable and productive

Warm regards,

Angie Taylor
